Directed by Jeff Tremaine. With Douglas Booth, Iwan Rheon, Machine Gun Kelly, Daniel Webber. Based on the bestselling autobiography from Motley Crüe, the film is an unflinching tale of success and excess as four misfits rise from the streets of Hollywood to the heights of international fame.

The Dirt (2019) - IMDb

The Dirt is a 2019 American biographical comedy-drama film directed by Jeff Tremaine from a screenplay by Rich Wilkes and Amanda Adelson, about heavy metal/glam metal band Motley Crüe. The film stars Douglas Booth, Colson Baker, Daniel Webber, and Iwan Rheon. Talks of a Motley Crüe biopic began as early as 2006, when Paramount Pictures and MTV Films purchased the rights to the book The Dirt: Confessions of the World's Most Notorious Rock Band by the band and Neil Strauss. However the ...

NOW A NETFLIX ORIGINAL MOVIE STARRING MACHINE GUN KELLY, DANIEL WEBBER, DOUGLAS BOOTH, AND IWAN RHEON, DIRECTED BY JEFF TREMAINE. Celebrate thirty years of the world's most notorious rock band with the deluxe collectors' edition of The Dirt--the outrageous, legendary, no-holds-barred autobiography of Motley Crüe. Fans have gotten glimpses into the band's crazy world of backstage scandals, celebrity love affairs, rollercoaster drug addictions, and immortal music in Motley Crüe books like Tommyland and The Heroin Diaries, but now the full spectrum of sin and success by Tommy Lee, Nikki Sixx, Vince Neil, and Mick Mars is an open book in The Dirt. Even fans already familiar with earlier editions of the bestselling exposé will treasure this gorgeous deluxe edition. Joe Levy at Rolling Stone calls The Dirt "without a doubt . . . the most detailed account of the awesome pleasures and perils of rock & roll stardom I have ever read. It is completely compelling and utterly revolting."

The most influential, enduring, and iconic metal band of the 1980's reveals everything a tell-all of epic proportions. This unbelievable autobiography explores the rebellious lives of four of the most influential icons in American rock history. Motley Crue was the voice of a barely pubescent Generation X, the anointed high priests of backward-masking pentagram rock, pioneers of Hollywood glam, and the creators of MTV's first "power ballad." Their sex lives claimed celebrities from Heather Locklear to Pamela Anderson to Donna D'Errico. Their scuffles involved everyone from Axl Rose to 2LiveCrew. Their hobbies have included collecting automatic weapons, cultivating long arrest records, pushing the envelope of conceivable drug abuse, and dreaming up backstage antics that would make Ozzy Osbourne blanch with modesty. Provocatively written and brilliantly designed, this book includes over 100 photos, many never before published, for the most exciting and insightful look ever into the Crue.

The shocking, gripping, and at times darkly hilarious bestselling memoir of Nikki Sixx's yearlong war with a vicious heroin addiction, featuring exclusive new content. When Motley Crüe was at the height of its fame, there wasn't any drug Nikki Sixx wouldn't do. He spent days--sometimes alone, sometimes with other addicts, friends, and lovers--in a coke- and heroin-fueled daze. The highs were high, and Nikki's journal entries reveal some euphoria and joy. But the lows were lower, often ending with Nikki in his closet, surrounded by drug paraphernalia and wrapped in paranoid delusions. Here, Nikki shares the diary entries--some poetic, some scatterbrained, some bizarre--of those dark times. Joining him are Tommy Lee, Vince Neil, Mick Mars, Slash, Rick Nielsen, Bob Rock, and a host of ex-managers, ex-lovers, and more. Brutally honest, utterly riveting, and surprisingly moving, The Heroin Diaries follows Nikki during the year he plunged to rock bottom--and his courageous decision to pick himself up and start living again.

I am Tommy Lee, born Thomas Lee Bass in Athens, Greece, on October 3, 1962, and raised in a suburb of California by an American father and a Greek mother. At seventeen, I joined Motley Crüe and we became one of the baddest-ass rock bands in history. We sold over 40 million albums, we wrecked havoc, we scared parents, and we titillated too many fathers' daughters. I've been married three times: once for just a few days to a Penthouse Pet, for seven years to Heather Locklear, and then for five years to Pamela Anderson, with whom I have two beautiful sons. I've gotten into a lot of fights and I've been to jail a few times. But this book isn't your typical journey in a straight line from day one to day now. I'm more interested in revealing what's most important about my life, like how I cook my steaks; what I think of the tabloids; the truth, my ex-wives, my music; and what an innocent observer might find hanging around my house any given Sunday. You'll get plenty of facts and I'll tell you a story, but my real mission here is to paint you a picture of my life. I want to show you how my memories smell. I'd like to get into it now, so please take your seats. I advise you to keep your arms and legs inside the car at all times. If you have a pacemaker, a heart condition, or if you are pregnant or too damn short to reach the safety bar, I ask that you turn back immediately. Those with weak stomachs, strict morals, or chronic indigestion should put the book down now. For the rest of you, there's one truth that's real across the board: What you send out is what you get back. Send out the good, people, and it will come back to you. There's another thing I've learned over the years, in court, in fights, and in arguments with people I love: There isn't one truth, there are many. This book is my truth. NOTE: THE EBOKO DOES NOT INCLUDE PHOTOGRAPHS THAT APPEAR IN THE PRINT EDITIONS.

Rock-and-roll icon and three-time bestselling author Nikki Sixx tells his origin story: how Frank Feranna became Nikki Sixx, chronicling his fascinating journey from irrepressible Idaho farmboy to the man who formed the revolutionary rock group Motley Crüe. Nikki Sixx is one of the most respected, recognizable, and entrepreneurial icons in the music industry. As the founder of Motley Crüe, who is now in his twenty-first year of sobriety, Sixx is incredibly passionate about his craft and wonderfully open about his life in rock and roll, and as a person of the world. Born Franklin Carlton Feranna on December 11, 1958, young Frankie was abandoned by his father and partly raised by his mother, a woman who was ahead of her time but deeply troubled. Frankie ended up living with his grandparents, bouncing from farm to farm and state to state. He was an all-American kid--hunting, fishing, chasing girls, and playing football--but underneath it all, there was a burning desire for more, and that more was music. He eventually took a Greyhound bound for Hollywood. In Los Angeles, Frank lived with his aunt and his uncle--the president of Capitol Records--for a short time. But there was no easy path to the top. He was soon on his own. There were dead-end jobs: dipping circuit boards, clerking at liquor and record stores, selling used light bulbs, and hustling to survive. But at night, Frank honed his craft, joining Sister, a band formed by fellow hard-rock veteran Blackie Lawless, and formed a group of his own: London, the precursor of Motley Crüe. Turning down an offer to join Randy Rhoads's band, Frank changed his name to Nikki London, Nikki Nine, and, finally, Nikki Sixx. Like Huck Finn with a stolen guitar, he had a vision: a group that combined punk, glam, and hard rock into the biggest, most theatrical and irresistible package the world had ever seen. With hard work, passion, and some luck, the vision manifested in reality--and this is a profound true story finding identity, of how Frank Feranna became Nikki Sixx. It's also a road map to the ways you can overcome anything, and achieve all of your goals, if only you put your mind to it.

David E. Morine is a briefcase conservationist specializing in human nature. He has taken on one of the greatest threats to the environment today -- red tape -- and has become an expert at its disposal. During fifteen years in charge of land acquisition for The Nature Conservancy, Morine helped protect more than three million acres of wilderness, finding plenty to laugh about and learn from along the way. Now, here are the stories behind the deals and the people who made them -- an enlightening, entertaining, occasionally unsettling look at the dirty job of keeping America clean. "Morine shares his most difficult, embarrassing, hilarious and unpredictable moments as a shirt-and-tie deal maker in the service of an uncamed natural world." -- The New York Times Book Review

The manager who shepherded Van Halen from obscurity to rock stardom goes behind the scenes to tell the complete, unadulterated story of David Lee Roth, Eddie Van Halen, and the legendary band that changed rock music. Van Halen's rise in the 1980s was one of the most thrilling the music world had ever seen--their mythos an epic party, a sweaty, sexy, never-ending rock extravaganza. During this unparalleled run of success, debauchery, and drama, no one was closer to the band than Noel Monk. A man who'd worked with some of rock's biggest and most notorious names, Monk spent seven years with Van Halen, serving first as their tour manger then as their personal manager until 1985, when both he and David Lee Roth exited as controversy, backstabbing, and disappointment consumed the band. Throughout Van Halen's meteoric rise and abrupt halt, this confidant, fixer, friend, and promoter saw it all and lived to tell. Now, for the first time, he shares the most outrageous escapades--from their coming of age to their most shocking behavior on the road; from Eddie's courtship and high profile wedding to Valerie Bertinelli to the incredible drug use which would ultimately lead to everyone's demise. Sharing never-before-told stories, Monk paints a compelling portrait of Eddie Van Halen, bringing into focus the unique combination of talent, vision, hardship, and naïveté that shaped one of the greatest rock guitarists of all time--and made him and his brother vulnerable to the trappings and fallings of fame. Illustrated with dozens of rare photographs from Monk's vaults, Runnin' with the Devil is mana from rock heaven no Van Halen fan can miss.

Motley Crüe's gleeful glam debauchery and unstoppable anthems have made them metal gods, selling over 72 million album copies worldwide and landing their band Biography The Dirt on bestseller lists around the country. Motley Crüe is--amazingly--the first photographic history of the band. Legendary rock photographer Neil Zlozower's images capture the band's rise from their breakthrough album Shout at the Devil through rock 'n' roll excesses to follow with the unprecedented all-access candor of a friend to the band. In hundreds of photographs and stories from the band and those close to them, Motley Crüe reveals them onstage, backstage, on tour, hanging out, and in studio--a must-have album of photos and testimony on one of the most powerful and controversial bands in rock history.
