" With echoes of Moby Dick, Peter Heller ' s terrific first novel, The Dog Stars, wastes no time introducing everything we need to know about his narrator...These references to Melville and Beckett are not inappropriate. Heller brings Melville ' s broad, contemplative exploration of good and evil to his story; he tells it in the spare, often disjunctive, language of Beckett.

NATIONAL BESTSELLER • In this "end-of-the-world novel more like a rapturous beginning" (San Francisco Chronicle), Hig somehow survived the flu pandemic that killed everyone he knows. His gripping story is "an ode to friendship between two men ... the strong bond between a human and a dog, and a reminder of what is worth living for" (Minneapolis Star-Tribune). Hig's wife is gone, his friends are dead, and he lives in the hangar of a small abandoned airport with his dog, Jasper, and a mercurial, gun-toting misanthrope named Bangley. But when a random transmission beams through the radio of his 1956 Cessna, the voice ignites a hope deep inside him that a better life exists outside their tightly controlled perimeter. Risking everything, he flies past his point of no return and follows its static-broken trail, only to find something that is both better and worse than anything he could ever hope for.

A NATIONAL BESTSELLER A KIRKUS REVIEWS BEST BOOK OF THE YEAR "A fiery tour de force... I could not put this book down. It truly was terrifying and unutterably beautiful." -Alison Borden, The Denver Post From the best-selling author of The Dog Stars, the story of two college students on a wilderness canoe trip—a gripping tale of a friendship tested by fire, white water, and violence Wynn and Jack have been best friends since freshman orientation, bonded by their shared love of mountains, books, and fishing. Wynn is a gentle giant, a Vermont kid never happier than when his feet are in the water. Jack is more rugged, raised on a ranch in Colorado where sleeping under the stars and cooking on a fire came as naturally to him as breathing. When they decide to canoe the Maskwa River in northern Canada, they anticipate long days of leisurely paddling and picking blueberries, and nights of stargazing and reading paperback Westerns. But a wildfire making its way across the forest adds unexpected urgency to the journey. When they hear a man and woman arguing on the fog-shrouded riverbank and decide to warn them about the fire, their search for the pair turns up nothing and no one. But: The next day a man appears on the river, paddling alone. Is this the man they heard? And, if he is, where is the woman? From this charged beginning, master storyteller Peter Heller unspools a headlong, heart-pounding story of desperate wilderness survival.

The novel tells the story of a young Southern man who is haunted by the suicide of his best friend from reform school.

Peter Heller, the celebrated author of the breakout best seller The Dog Stars, returns with an achingly beautiful, wildly suspenseful second novel about an artist trying to outrun his past. Jim Stegner has seen his share of violence and loss. Years ago he shot a man in a bar. His marriage disintegrated. He grieved the one thing he loved. In the wake of tragedy, Jim, a well-known expressionist painter, abandoned the art scene of Santa Fe to start fresh in the valleys of rural Colorado. Now he spends his days painting and fly-fishing, trying to find a way to live with the dark impulses that sometimes overtake him. He works with a lovely model. His paintings fetch excellent prices. But one afternoon, on a dirt road, Jim comes across a man beating a small horse, and a brutal encounter rips his quiet life wide open. Fleeing Colorado, chased by men set on retribution, Jim returns to New Mexico, tormented by his own relentless conscience. A stunning, savage novel of art and violence, love and grief, The Painter is the story of a man who longs to transcend the shadows in his heart, a man intent on using the losses he has suffered to create a meaningful life. This eBook edition includes a Reading Group Guide.

" Like Mark Twain and Toni Morrison, Peter Heller has a rare talent that hooks both literary and commercial readers. " —Elle magazine From the bestselling author of The Dog Stars and The River, The Orchard is an unforgettable coming of age tale reminding us that, even during the hardest of times, love, friendship, and the enduring power of nature will prevail. Hayley and her seven-year-old daughter, Frith, live in a rustic cabin with no electricity in the foothills of Vermont ' s Green Mountains. One of the world ' s most renowned translators of poetry from China ' s Tang dynasty, Hayley walked away from her career and her drug-addicted husband to raise Frith alone in a land populated not by ambition-fueled academics but by hawks, beavers, and other wild things—including their exuberant Bernese mountain mutt, Bear. They get by on what little they earn from their overgrown apple orchard and the syrup they make from their maple trees. Frith—preocious, homeschooled, and a voracious reader—considers herself queen of this backwoods paradise. She is too young to understand the pain and regret that have followed her mother here. Season after season, it is the three of them—mother, daughter, and dog—until the sunny spring day when Rose Lattimore appears at their door. Rose is an artist and kindred spirit whose unexpected friendship upends Hayley and Frith ' s solitary existence. Rosie takes the edge off the worries of day-to-day survival and encourages the playful aspects of living in nature: fishing, picnics, swimming in a quarry. Frith thrives under the loving care of Hayley and Rosie and, with a child ' s innocence, assumes their happiness will last forever. Instead, their lives are shattered by unexpected tragedy and Frith must come to terms with heartbreak and fear. Peter Heller is unique in his ability to capture the beauty and nuance of the natural world and its pull on women and men. In The Orchard, he pairs evocative storytelling with jewel-like poems—Hayley ' s translations of her most beloved Tang poet, Li Xue—that echo Hayley and Frith ' s life in the wilderness and tell their own tale of mother and daughter. By turns joyful and searing, The Orchard examines the fragility of childhood, motherhood, romantic love, and friendship, and celebrates the enduring solace of nature. At a time when so many of us are gripped by fear and uncertainty, Heller ' s story is like a calming deep breath.

From the bestselling author of The Dog Stars, the true story of an elite kayaking team's heroic conquest of the world ' s last great adventure prize: Tibet's Tsangpo River. The Tsangpo Gorge in southeastern Tibet has lured explorers and adventurers since its discovery. Sacred to the Buddhists, the inspiration for Shangri La, the Gorge is as steeped in legend and mystery as any spot on earth. As a river-running challenge, the remote Tsangpo is relentlessly unforgiving, more difficult than any stretch of river ever attempted. Its mysteries have withstood a century's worth of determined efforts to explore it's length. The finest expedition paddlers on earth have tried. Several have died. All have failed. Until now. In the heart of the Himalayan winter, a team of seven kayakers launched a meticulously planned assault of the Gorge. The paddlers were river cowboys, superstars in the universe of extreme kayaking. Accompanying them was author Peter Heller, a world-class kayaker in his own right. Filled with history, white-knuckle drama, and mutiny in one of the world's most storied-and remote-locations, Hell or High Water is the riveting story of this adventure.
