The second edition includes updated content, extensive practice in writing emails and further communication activities aimed specifically at busy professionals.

Teaching English for Tourism initiates a sustained academic discussion on the teaching and learning of English to tourism professionals, or to students who aspire to build a career in the tourism industry. Responding to a gap in the field, this is the first book of its kind to explore the implications of research in English for tourism (Eft) within the field of English for specific purposes. This edited volume brings together teachers and researchers of Eft from diverse national and institutional contexts, focusing on connecting current research in Eft contexts to classroom implications. It considers a wide range of themes related to the teaching of Eft, including theoretical concepts, methodological frameworks, and specific
