Dear Penguin: The Persians had nothing to do with the Epic of Gilgamesh; it is a Mesopotamian myth and the Persians were the enemy who conquered Mesopotamia in 539 BCE so they would hardly be well thought of by its writers. You need to change the cover in the next edition.

And it ' s hard to disagree with his analysis of Gilgamesh as more ' novel ' than ' epic ' : although the edition I own, The Epic of Gilgamesh (Penguin Classics), is titled The Epic of Gilgamesh, the focus is on a small cast of all-too-human characters. There are no great battles to decide the future of civilisation, and no journeys into the Underworld, although we do have a quest/journey element.

This edition provides a prose rendering of The Epic of Gilgamesh, the cycle of poems preserved on clay tablets surviving from ancient Mesopotamia of the third millennium B.C. One of the best and most important pieces of epic poetry from human history, predating even Homer's Iliad by roughly 1,500 years, the Gilgamesh epic tells of the various adventures of that hero-king, including his quest ...

The ancient Sumerian poem The Epic of Gilgamesh is one of the oldest written stories in existence, translated with an introduction by Andrew George in Penguin Classics. Miraculously preserved on clay tablets dating back as much as four thousand years, the poem of Gilgamesh, king of Uruk, is the world's oldest epic, predating Homer by many centuries. The story tells of Gilgamesh's adventures with the wild man Enkidu, and of his arduous journey to the ends of the earth in quest of the Babylonian Noah and the secret of immortality. Alongside its themes of family, friendship and the duties of kings, The Epic of Gilgamesh is, above all, about mankind's eternal struggle with the fear of death. The Babylonian version has been known for over a century, but linguists are still deciphering new fragments in Akkadian and Sumerian. Andrew George's gripping translation brilliantly combines these into a fluid narrative and will long rank as the definitive English Gilgamesh. If you enjoyed The Epic of Gilgamesh, you might like Homer's Iliad, also available in Penguin Classics. 'A masterly new verse translation' The Times 'Andrew George has skilfully bridged the gap between a scholarly re-edition and a popular work' London Review of Books

Gilgamesh, King of Uruk, and his companion Enkidu are the only heroes to have survived from the ancient literature of Babylon, immortalized in this epic poem that dates back to the 3rd millennium BC. Together they journey to the Spring of Youth, defeat the Bull of Heaven and slay the monster Humbaba. When Enkidu dies, Gilgamesh's grief and fear of death are such that they lead him to undertake a quest for eternal life. A timeless tale of morality, tragedy and pure adventure, The Epic of Gilgamesh is a landmark literary exploration of man's search for immortality.

N. K. Sandars's landmark translation of one of the first and greatest works of Western literature A Penguin Classic Gilgamesh, King of Uruk, and his companion Enkidu are the only heroes to have survived from the ancient literature of Babylon, immortalized in this epic poem that dates back to the third millennium BC. Together they journey to the Spring of Youth, defeat the Bull of Heaven and slay the monster Humbaba. When Enkidu dies, Gilgamesh's grief and fear of death are such that they lead him to undertake a quest for eternal life. A timeless tale of morality, tragedy and pure adventure, The Epic of Gilgamesh is a landmark literary exploration of man's search for immortality. N. K. Sandars's lucid, accessible translation is prefaced by a detailed introduction that examines the narrative and historical context of the work. In addition, there is a glossary of names and a map of the Ancient Orient. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

A poem for the ages, freshly and accessibly translated by an international rising star, bringing together scholarly precision and poetic grace Gilgamesh is a Babylonian epic from three thousand years ago, which tells of King Gilgamesh's deep love for the wild man Enkidu and his pursuit of immortality when Enkidu dies. It is a story about love between men, loss and grief, the confrontation with death, the destruction of nature, insomnia and restlessness, finding peace in one's community, the voice of women, the folly of gods, heroes, and monsters—and more. Millennia after its composition, Gilgamesh continues to speak to us in myriad ways. Translating directly from the Akkadian, Sophus Helle offers a literary translation that reproduces the original epic's poetic effects, including its succinct clarity and enchanting cadence. An introduction and five accompanying essays unpack the history and main themes of the epic, guiding readers to a deeper appreciation of this ancient masterpiece.

Vivid, enjoyable and comprehensible, the poet and pre-eminent translator Stephen Mitchell makes the oldest epic poem in the world accessible for the first time. Gilgamesh is a born leader, but in an attempt to control his growing arrogance, the Gods create Enkidu, a wild man, his equal in strength and courage. Enkidu is trapped by a temple prostitute, civilised through sexual experience and brought to Gilgamesh. They become best friends and battle evil together. After Enkidu's death the distraught Gilgamesh sets out on a journey to find Utnapishtim, the survivor of the Great Flood, made immortal by the Gods to ask him the secret of life and death. Gilgamesh is the first and remains one of the most important works of world literature. Written in ancient Mesopotamia in the second millennium B.C., it predates the Iliad by roughly 1,000 years. Gilgamesh is extraordinarily modern in its emotional power but also provides an insight into the values of an ancient culture and civilisation.

This epic poem is the oldest known to exist in history, predating Homer's Iliad by about 1500 years. Gilgamesh, the hero, discovers he has godly blood, so sets out on a journey to the land of the gods in an attempt to gain entry. It is of ancient Sumerian origin, from the land called Mesopotamia. It is an important work for those studying ancient literature, history and mythology. This Babylonian version is one of the oldest known, if not the oldest. Later renditions are more common and seem to embellish the story, so this work is important for serious researchers. From the standpoint of literature alone, it is also an interesting tale that is enjoyable to read.

The story of Gilgamesh, an ancient epic poem written on clay tablets in a cuneiform alphabet, is as fascinating and moving as it is crucial to our ability to fathom the time and the place in which it was written. Gardner's version restores the poetry of the text and the lyricism that is lost in the earlier, almost scientific renderings. The principal theme of the poem is a familiar one: man's persistent and hopeless quest for immortality. It tells of the heroic exploits of an ancient ruler of the walled city of Uruk named Gilgamesh. Included in its story is an account of the Flood that predates the Biblical version by centuries. Gilgamesh and his companion, a wild man of the woods named Enkidu, fight monsters and demonic powers in search of honor and lasting fame. When Enkidu is put to death by the vengeful goddess Ishtar, Gilgamesh travels to the underworld to find an answer to his grief and confront the question of mortality.

Acclaimed literary historian Schmidt provides a unique meditation on the rediscovery of Gilgamesh and its profound influence on poets today. He describes how the poem is a work in progress even now, an undertaking that has drawn on the talents and obsessions of an unlikely cast of characters, from archaeologists and museum curators to tomb raiders and jihadis.

The Epic of Gilgamesh is the world's oldest epic masterpiece.

View every book in the Penguin Epics series. This beautiful limited edition boxed set contains the stunningly designed new Penguin Epics series: twenty short tales of human adventure, legend and myth. Penguin Epics depict the most extreme acts of heroism, ambition, bravery and violence, and in doing so they reveal mankind's most profound aspirations and darkest fears.
