Royal author Robert Lacey, who penned upcoming tell-all book Battle of Brothers: William and Harry – The Inside Story of a Family in Tumult, wrote of the couple's secret cover-up.

From saving for a new bike to investing their allowance online, kids get the "cents" they need with this. Kids will also learn: How coins and bills are made. What money can buy--from school supplies to fun and games. How credit cards work. Ways to watch money grow--from savings to stocks. Cool financial technology. And more! Saving money isn't about a piggy bank anymore. Today's kids are investing money, starting their own small businesses, and watching their savings earn interest. This book will teach kids all they need to know about the "green" they earn so they can save or spend it wisely. This edition includes completely new material on online banking, opening a bank account, and saving allowance.

Science has never been so easy--or so much fun! With The Everything Kids' Science Experiments Book, all you need to do is gather a few household items and you can recreate dozens of mind-blowing, kid-tested science experiments. High school science teacher Tom Robinson shows you how to expand your scientific horizons--from biology to chemistry to physics to outer space. You'll discover answers to questions like: Is it possible to blow up a balloon without actually blowing into it? What is inside coins? Can a magnet ever be "turned off"? Do toilets always flush in the same direction? Can a swimming pool be cleaned with just the breath of one person? You won't want to wait for a rainy day or your school's science fair to test these cool experiments for yourself!

How do we equip the next generation with money management skills that they can carry forth into their adult lives?One of the most important lessons that you can teach your kids is how to handle their money. Unfortunately, for most parents, giving their kids a sound financial education is an afterthought at best.Frustrated by the lack of resources that apply the concept of finance to real life situations for his own children to learn from, author Walter Andal was inspired to create an informative and entertaining book to help children get on the right path to making smart personal financial decisions.In Finance 101 for Kids, children and parents will explore: How money started How to earn and make money Saving and Investing What credit is and the dangers of mishandling credit What the stock market is Economic forces that can affect personal finance What currencies and foreign exchanges are The importance of giving back to the community And much, much more!

The ultimate kids' guide to money: earning it, saving it, and investing it. Hey, kids, want to become a millionaire? Or get a business off the ground? Or save up some money to buy a new bike? All it takes is understanding and putting into practice a few simple strategies and concepts about money: Make it: Learn the ins and outs of scoring a first job, or even better, starting a business. Save it: That's right, millionaires are people who have a million dollars, not people who spend a million dollars. Grow it: Invest and use the most powerful force in the financial universe--compound interest. Next thing you know, you're a bona fide financial whiz on the road to your first million. Now get going! A thorough introduction to finance from the people behind BizKidS, How to Turn \$100 into \$1 Million includes chapters on setting financial goals, making a budget, getting a job, starting a business, and investing smartly -- and how to think like a millionaire. Plus: a one-page business plan template, a two-page plan to become a millionaire, and a personal budget tracker. "As you follow their plan, your interests will grow--and so will your money. Meanwhile, excuse me, I've got to reread a few sections."--Bill Nye the Science Guy

Provides an overview of economics and money, including earning, spending, saving, checks and credit cards, banks, and the history of money.

Who says learning can't be fun? Using the word "educational" can be the quickest way to lose a child's interest.
