First grade focuses on the basic story elements: character, setting, events. Second and third grade get much more focused on the character and what happens with the character throughout the story. Second grade standards focus on the character ' s challenges and responses.

Geography can be a tough nut to crack if introduced ineffectively. Children at fifth grade still need as much as visual as possible. They easily get bored with textbooks filled with writings. A splash of color and illustration will facilitate for better memory and the more effective absorption of geographic information. Hence, your child needs this book. Grab a copy today!

Five elements. Four friends. One city—and its sinister shadow. This epic middle grade series is filled with awesome elemental powers, nightmarish creatures, and nonstop adventure that will thrill fans of Avatar: The Last Airbender, Rick Riordan, and Brandon Mull. When Gabe Conway and his friends find a strange old map in his uncle ' s office and follow it to a crumbling secret chamber beneath San Francisco, they think they ' re just having one last adventure before Gabe moves away. They don ' t expect to end up bound to the magic of the elements, or to set off a chain of events that none of them can explain. But they ' re about to get more of an adventure than they bargained for. A power-hungry cult is plotting to merge our world with a twisted parallel realm—and now it ' s up to Gabe, his friends, and their new elemental powers to save San Francisco from utter destruction.

Unparalleled Sovereign Ye Dongfeng was only an inch away from the Misty Heavenly Dao, but at the critical moment, he was plotted against and reincarnated at the starting point of everything. In this life, Ye Dongfeng had created a perfect dao heart. He slowly got up, used his cold talent to sweep the world, turned his hand into a cloud, and used his own strength to trample all around, suppressing the current era. The regret and unwillingness from his past life had been completely wiped out. His name shook the Primordial Era, and with war as the way, he finally became a Saint Lord.

Relationships fill our lives from the instant we ' re born until the moment we die. These relationships can elevate us or take us down, bring us joy or sorrow, define or defeat us. While the quality of a relationship often seems random, in almost every case it is possible to predict—from the very beginning—which relationships will feel comfortable and which ones just won ' t. In The Five Elements of Relationships, Dr. Vicki Matthews uses the ancient Five Elements model from Chinese medicine to describe five basic personality types and the ways they automatically relate to one another. Knowing our primary elemental personality type explains our priorities and preferences in life as well as the reasons we click with certain people but have difficulties with others. Deceptively simple and easy to comprehend, The Five Elements of Relationships offers the opportunity to better understand everyone in our lives, enhance every connection we have, improve family dynamics, and seek out the people who will best support us in every conceivable situation. It also includes numerous techniques to help build harmonious relationships with everyone.

At first grade, your child is expected to know all the continents of the world. But if he/she is lagging behind, don't worry because this educational book can help. Information presented here is done with the use of vibrantly colored pictures that call the attention. The use of colors and images allows for the better processing of memory and retention. Order a copy now!

Offers real-life stories, items, and methods that allow for a deeper understanding of any issue, provide the power to use failure as a step toward success, and develop a habit of creating probing questions.

A cultivating genius was struck by a sect and his meridians were completely destroyed. He thought that he could only be a mortal for his entire life. The appearance of a dagger had changed his entire life, so how was his life ...

The second book in an epic middle grade series with awesome elemental powers, nightmarish creatures, and nonstop adventure that will thrill kids who love Avatar: The Last Airbender, Rick Riordan, and Brandon Mull. Five elements. Two worlds. One city...and one chance to save it. In the past two weeks, Gabe Conway has fought a six-winged dragon, bound himself to the element of fire, and rescued one of his best friends from the twisted parallel dimension known as Arcadia. Now he has to find a way to do something even more impossible: destroy Arcadia forever—before a sinister cult unleashes its nightmare of death and destruction across San Francisco. “ Thrilling
