The care & keeping of you : the body book for girls ...

The girls shown represent considerable diversity in skin tones, hair and clothing. Lively design adds to the appeal of this growing-up guide, a revision of a popular title first published in 1998. The new illustrations are similar but feature darker skin shades, a greater range of pubescent girls and slightly more modern clothing.

The Care & Keeping of You: The Body Book for Girls by ...

A beautiful picture book about the journey of a girls body during puberty and growing up. The impact those changes on the outside can have on our insides. It stresses the importance of self acceptance. Also, practicing self care and self love should start sooner rather than later, and should be part of your life routine.
