If Persian became the language of Islam in
India, and, in fact, that of non-Arab Islam,
then it could be argued that tolerance, and
intolerance, and liberal, dogmatic,
spiritual, and legalistic positions could be
and were all expressed in that medium, so

that the language in itself fails to signal ideological opposition to what the author refers to as dogmatic Islam.

The Languages of Political Islam. - Free Online Library

Probing literary and historical sources, Bernard Lewis traces the development of Islamic political language from the time of the Prophet to the present. His analysis of documents written in Arabic, Persian, and Turkish illuminates differences between Muslim political thinking and Western political theory, and clarifies the
