Placed in a mental hospital at age fifteen after being diagnosed with Gender Identity Disorder, an author shares her harrowing ordeal in the hopes that other teenagers will not suffer as she did due to a lack of understanding of sexual orientation. Reprint.

Each of Katy Bear's animal friends wears a different color of clothing to her birthday party.

In this dazzling new vision of the ever-fascinating queen, a dynamic young historian reveals how Marie Antoinette's bold attempts to reshape royal fashion changed the future of France Marie Antoinette has always stood as an icon of supreme style, but surprisingly none of her biographers have paid sustained attention to her clothes. In *Queen of Fashion*, Caroline Weber shows how Marie Antoinette developed her reputation for fashionable excess, and explains through lively, illuminating new research the political controversies that her clothing provoked. Weber surveys Marie Antoinette's "Revolution in Dress," covering each phase of the queen's tumultuous life, beginning with the young girl, struggling to survive Versailles's rigid traditions of royal glamour (twelve-foot-wide hoopskirts, whalebone corsets that crushed her organs). As queen, Marie Antoinette used stunning, often extreme costumes to project an image of power and wage war against her enemies. Gradually, however, she began to lose her hold on the French when she started to adopt "unqueenly" outfits (the provocative chemise) that, surprisingly, would be adopted by the revolutionaries who executed her. Weber's queen is sublime, human, and surprising: a sometimes courageous monarch unwilling to allow others to determine her destiny. The paradox of her tragic story, according to Weber, is that fashion—the vehicle she used to secure her triumphs—was also the means of her undoing. Weber's book is not only a stylish and original addition to Marie Antoinette scholarship, but also a moving, revelatory reinterpretation of one of history's most controversial figures.

A COOKBOOK FOR YOUR CLOSET Personal style expert Jessica Quirk approaches getting dressed just as you would plan the perfect meal: With a smartly stocked pantry and a few gorgeous "spotlight ingredients," inspiration comes easily. In *What I Wore*, named after her enormously popular blog, Jessica shares recipes for creating a stellar wardrobe to get you through spring, summer, fall, and winter. From delicates (bras, slips, lingerie) to the basics every woman should have (black pants, white shirts, knee-high leather boots) to the dramatic touches that set just the right tone (scarves, jewelry, handbags), she shows you how to take your look from ordinary to outstanding without breaking the bank. Inside you'll discover how to • remix the clothing you already have for dozens of fresh, pulled-together looks • become a smarter shopper and always get the most bang for your buck • create wow-worthy ensembles for special occasions, weekends, and the office • supplement basics and investment pieces with fun and inexpensive accessories Plus you'll learn tailoring tricks, handy hints, and packing tips to ensure that you always leave the house looking your best. Loaded with hundreds of vibrant, original illustrations and unique suggestions for combining colors, patterns, and textures, *What I Wore* will help you feel stylish and confident, each and every day.

In a volume originally intended just for friends, the author reflects on her fortunes and misfortunes through the clothes she has worn, clothes that have expressed her hopes and dreams—from her Brownie uniform to her first maternity dress. Reprint.

From factory worker to First Lady, "this photo book explores the history of female power dressing across different classes, cultures, and careers" (InStyle). At a time in which a woman can be a firefighter, surgeon, astronaut, military officer, athlete, judge, and more, what does it mean to dress like a woman? This book turns that question on its head by sharing a myriad of interpretations across history—with 300 incredible photographs that illustrate how women's roles have changed over the last century. The women pictured in this book inhabit a fascinating intersection of gender, fashion, politics, culture, class, nationality, and race. There are some familiar faces, including trailblazers Amelia Earhart, Angela Davis, and Michelle Obama, but the majority of photographs are of ordinary working women from many backgrounds and professions. With essays by renowned fashion writer Vanessa Friedman and feminist writer Roxane Gay, *Dress Like a Woman* offers a comprehensive look at the role of gender and dress in the workplace.

In the secret heart of London, under the cover of endless darkness, is the Nightside. But enter at your own risk. The party animals who live here may be as inhuman as their appetites... My name is John Taylor. The Nightside is my home, and I've got a brand new full-time job there (in addition to my private eye work) as Walker—the Voice of the Authorities. I'm also marrying the love of my life, Suzie Shooter, the Nightside's most fearsome bounty-hunter. But nothing comes easy here. Not life. Not death. And for certain, not happily-ever-after. Before I can say "I do," I have one more case to solve as a private eye—and my first assignment as Walker. Both jobs would be a lot easier to accomplish if I weren't on the run, from friends and enemies alike. And if my bride-to-be weren't out to collect the bounty on my head...

A history of costume and fashion spanning the civilizations of ancient Greece and Egypt through nineteenth-century Europe, including the clothing, footwear, accessories, and hairstyles of individuals from all levels of society.

A gripping account of the author's years in psychiatric institutions after being diagnosed with Gender Identity Disorder.

This book, a meditation on a woman's hat on display in the Jewish Historical Museum in Amsterdam, combines a pensive prose poem with arresting collage artwork. The illustrations, consisting of pencil drawings, subdued watercolors, and old photographs, sometimes suggest a distant memory and at other times bring the reality of the Holocaust into sharp focus. Subtle yet powerful, historical and personal, this book will have a lasting impact on everyone who experiences it.
