~~Little House (The Complete Nine-Book Set in slipcase ...~~

The Little House Nine Volumes Set by Laura Ingalls Wilder is definitely a set that young people should read. I chose to reread these after nearly a lifetime because I had read *Prairie Fires*, a biography of Laura Ingalls Wilder. It told how she came to write this series and the influence her daughter had on her writing.

The original Little House books were a series of eight autobiographical children's novels written by Laura Ingalls Wilder and published by Harper & Brothers from 1932 to 1943. The eighth book, *These Happy Golden Years*, featured Laura Ingalls at ages 15 to 18 and was originally published with one page at the end containing the note, "The end of the Little House books." The ninth and last novel written by Wilder, *The First Four Years* was published posthumously and unfinished in 1971. Although her
