The Lost World [Full Audiobook] by Arthur Conan DoyleThe Lost Girl Book 2

The Lost Girl Book 2 2.5 stars Anne Ursu writes well and her stories are imaginative; however, after reading The Lost Girl, I learned that we may have different views on certain topics and that difference hindered me from enjoying the book as much as I would have liked.Otherwise, I will say that this was an overall interesting book that I

The Lost Girl Book 2 Following My Heart Books For Girls ...

The Lost Girl starts just a few weeks after The Lost Knight ends. Considering how close the timelines are in each book, its surprising how different each book is. I hope that trend continues with book 3. The world buiding is equally compelling but different. The Lost Knight had a macro view, The Lost Girl is the micro. How do these societies work?

The Lost Girl (Lost Knight, #2) by Candy Atkins

Her second novel, The Lost Girl, is volume two of the six-part Lost Knight Series. Her life's journey has taken her from dining with the President to being on food stamps to running her own company. And since all author bios end by naming and quantifying pets...she also enjoys spending time with her boxer, Butler, and Wynona the cat.

Just as Book I may be seen as a parody of military heroism, the devils' debate in Book II can be read as a parody of political debate. Their nonviolent and democratic decision to wreak the destruction of humankind shows the corruption of fallen reason, which can make evil appear as good.

A Harvard-led study found a small increase in PM2.5 of just 1?g/m3 increases the chance of death following infection with SARS-CoV-2, the virus which causes Covid-19, by 11 per cent. 40 comments

I've been kidnapped by vampires and Sawyer is under some love spell. Now I've got to traipse through the entire Magic Lands without getting killed to make it back to Werewolf City... hopefully in one piece. Everything would have worked out as planned if Sawyer hadn't gone on another revenge killing spree in my honor. Now the entire magical world is at war, and my True Mate and I are stuck in the middle of it. It's just another Monday.

Lost Girl - Readers' Favorite Award Finalist in Paranormal Fiction
Renowned sculptor Allison Weathers doesn't believe in ghosts. But when a tragic twist of fate leads her to the small mountain town of Dawson Mills, Tennessee, she soon learns that the dead don't always stay silent. Shadows begin to shift in the rambling, old Victorian farmhouse she's purchased. Voices come from nowhere. She can feel the eyes on her. Paul Bradford, a contractor who is bidding the renovation work on the house, believes it's more than just Allison's imagination conjuring up the paranormal activity. Toni Harper, a reporter for the local paper, concurs. She's heard snippets of hand-over-the-mouth gossip from some of the town's deputies who responded to calls in the middle of the night. Ghosts. Or so the former owner claimed in the few months before his death. The secrets they unearth rock Allison right down to the core. Thrust into a haunted world where the paranormal and evil collide, she has one hope of survival: unravel the sinister history buried for decades within the old farmhouse, and find the link to a muddled piece of her past.
Lost Girl by Anne Francis Scott is a paranormal mystery/ghost story with chilling scenes at the fringe of horror.

Three starred reviews
A Publishers Weekly Best Children's Book of 2019
Anne Ursu, author of the National Book Award nominee The Real Boy, returns with a story of the power of fantasy, the limits of love, and the struggles inherent in growing up. When you're an identical twin, your story always starts with someone else. For Iris, that means her story starts with Lark. Iris has always been the grounded, capable, and rational one; Lark has been inventive, dreamy, and brilliant—and from their first moments in the world together, they've never left each other's side. Everyone around them realized early on what the two sisters already knew: they had better outcomes when they were together. When fifth grade arrives, however, it's decided that Iris and Lark should be split into different classrooms, and something breaks in them both. Iris is no longer so confident; Lark retreats into herself as she deals with challenges at school. And at the same time, something strange is happening in the city around them, things both great and small going missing without a trace. As Iris begins to understand that anything can be lost in the blink of an eye, she decides it's up to her to find a way to keep her sister safe.

Even Death can't keep them apart... After falling in love with a ghost, Joey has succeeded in saving her boyfriend from Death, not once but twice. But then a mysterious and horrifying creature begins stalking Joey – can Tristan save her before it's too late?

WendyI was just a normal girl in a normal human world. I'd loved. I'd lost. I'd grieved, and after some time, I moved on.Then, and quite suddenly, he returned.He--Peter Pan, my first love; a monster in disguise.In the end, he paid the ultimate price, but his demise wasn't enough.Now, I'm paying off the interest, dragged into a realm filled with wicked creatures I thought only existed in fairy tales and lores.They want answers.And I have none to give.But the proverbial hourglass is draining of sand, and as darkness consumes, I find myself accepting the fact I'll never make it home.I'll die at their merciless hands.That is, until one valiant creature intervenes--leader of The Lost Boys.The Alpha.Tavi Finding Wendy was by sheer chance.From the moment I saw her, I was blasted with this fierce sense of duty.I can't explain it. All I knew was, I had the save her.So I did, brought her back to the Woodlands--The Lost Boys' stomping grounds. But her connection to Peter leaves her as ostracized as he once found himself.Until her mortality poses a concern, one the factions can't ignore.One no one has answers for, either.Both my father and the Sacred Six warn there might not be any, but that doesn't deter Wendy from trying to find a solution.Despite such pressing matters, though, there's a singular thought that incessantly crosses my mind.Proof that fate is real.She's mine.And I'll be damned if anyone--or anything--tries to rip my little wolf away from me.

When her best friend vanishes without so much as a good-bye, eighteen-year-old Piper Sail takes on the role of amateur sleuth in an attempt to solve the mystery of Lydia's disappearance. Given that Piper's tendency has always been to butt heads with high-society's expectations of her, it's no surprise that she doesn't give a second thought to searching for answers to Lydia's abduction from their privileged neighborhood. As Piper discovers that those answers might stem from the corruption strangling 1924 Chicago—and quite possibly lead back to the doors of her affluent neighborhood—she must decide how deep she's willing to dig, how much she should reveal, and if she's willing to risk her life of privilege for the sake of the truth. Perfect for fans of Libba Bray and Anna Godbersen, Stephanie Morrill's atmospheric jazz-age mystery will take readers from the glitzy homes of the elite to the dark underbelly of 1920s Chicago.

Generations of children and teens have grown up on R.L. Stine's bestselling and hugely popular horror series, Fear Street and Goosebumps. Now, the Fear Street series is back with a chilling new installment, packed with pure nightmare fodder that will scare Stine's avid fan base of teen readers and adults. New student Lizzy Palmer is the talk of Shadyside High. Michael and his girlfriend Pepper befriend her, but the closer they get to her, the stranger she seems... and the more attractive she is to Michael. He invites her to join him on a snowmobile race that ends in a tragic accident. Soon, Michael's friends start being murdered, and Pepper becomes convinced that Lizzy is behind the killings. But to her total shock, she and Michael are drawn into a tragic story of an unthinkable betrayal committed over 60 years ago. Frightening and tense in the way that only this master of horror can deliver, The Lost Girl is another terrifying Fear Street novel by the king of juvenile horror. "A nostalgia trip for the original fans of Fear Street." - Kirkus Reviews

One of thousands of children who fled strife in southern Sudan, John Bul Dau survived hunger, exhaustion, and violence. His wife, Martha, endured similar hardships. In this memorable book, the two convey the best of African values while relating searing accounts of famine and war. There's warmth as well, in their humorous tales of adapting to American life. For its importance as a primary source, for its inclusion of the rarely told female perspective of Sudan's lost children, for its celebration of human resilience, this is the perfect story to inform and inspire young readers.

In war-torn Sudan, a girl must make heart-rending choices as she fights for survival and a chance at a future. "This short, quickly paced narrative will stay with readers for the rest of their lives." School Library Journal, STARRED REVIEW "Moving and necessary." Kirkus, STARRED REVIEW For Poni, life in her small village in southern Sudan is simple and complicated at the same time. Stay in school. Beat up any boy who tries to show attention. Watch out for the dangers in the river. But then the war comes. And when soldiers arrive in her village and bombs begin to rain from the sky, there is only one thing for Poni to do. Run. Poni runs for her life, and alongside thousands of refugees, she must then make a long, dusty trek across the east African countryside. Driven by the sheer will to survive, Poni finds her way to the Kakuma refugee camp in Kenya, where she hopes to be reunited with her family. And if she is lucky, she will one day be able to convince the authorities that she is worthy to go to the land of opportunity. But the misery in Kakuma is almost overwhelming, and sooner than Poni could have imagined, she is on the run again. With single-minded determination, Poni survives hell and back, but she cannot escape the war's devastating psychological effects or her

survivor's guilt. In a heartbreaking final twist, Poni finds her mother just as she is about to leave for America—forcing her to make the hardest decision of all.
