In an exuberant picture book, a glimpse of costumed mermaids leaves one boy flooded with wonder and ready to dazzle the world. While riding the subway home from the pool with his abuela one day, Julián notices three women spectacularly dressed up. Their hair billows in brilliant hues, their dresses end in fishtails, and their joy fills the train car. When Julián gets home, daydreaming of the magic he's seen, all he can think about is dressing up just like the ladies in his own fabulous mermaid costume: a butter-yellow curtain for his tail, the fronds of a potted fern for his headdress. But what will Abuela think about the mess he makes – and even more importantly, what will she think about how Julián sees himself? Mesmerizing and full of heart, Jessica Love's author-illustrator debut is a jubilant picture of self-love and a radiant celebration of individuality.

Hailed by The Washington Post as "tantalizing" and "mesmerizing," The Mermaid of Brooklyn is a whip-smart, heartfelt exploration of what happens when modern day motherhood meets with a little touch of magic. All she really wants is to survive the sweltering New York summer with a shred of sanity intact. But when her husband, Harry, vanishes one evening, Jenny reaches her breaking point. The Mermaid in the Bathtub is a charming, gorgeously retro retelling of Hans Christian Andersen's classic story "The Little Mermaid," by beloved Israeli author and illustrator duo Nurit Zarchi and Rutu Modan. One day, a resolutely ordinary young man named Mr. Whatwilltheysay returns home to find Grain-of-Sand, a mermaid, waiting for him in his favorite armchair. Despite his objections, the two embark on a series of very watery adventures as he tries to get rid of her. But ultimately the thought of being seen with half a fish is simply too much for Mr. Whatwilltheysay to bear-what would people say? So broken-hearted Grain-of-Sand returns to the sea in his bathtub, leaving Mr. Whatwilltheysay to resume his pedestrian existence. Mr. Whatwilltheysay soon finds that his beloved landlubber life, however, lacks the splash and shimmer (and bathtub) of his good times with Grain-of-Sand-and acting against all his instincts, he sets off to sea to find her.

Nancy makes the best of not dancing the lead in her ballet school's Deep Sea Dances show, but becomes jealous when her best friend gets a better role than hers.

In a world divided by colonialism and threaded with magic, a desperate orphan turned pirate and a rebellious imperial lady find a connection on the high seas. Aboard the pirate ship Dove, Flora the girl takes on the identity of Florian the man to earn the respect and protection of the crew. For Flora, former starving urchin, the brutal life of a pirate is about survival: don't trust, don't stick out, and don't feel. But on this voyage, Flora is drawn to the Lady Evelyn Hasegawa, who is headed to an arranged marriage she dreads. Flora doesn't expect to be taken under Evelyn's wing, and Evelyn doesn't expect to find such a deep bond with the pirate Florian. Neither expects to fall in love. Soon the unlikely pair set in motion a wild escape that will free a captured mermaid (coveted for her blood) and involve the mysterious Pirate Supreme, an opportunistic witch, double agents, and the all-encompassing Sea herself. Deftly entwining swashbuckling action and quiet magic, Maggie Tokuda-Hall's inventive debut novel conjures a diverse cast of characters seeking mastery over their fates while searching for answers to big questions about identity, power, and love.

As Fred the Mermaid tries to fit in with her own kind, she finds herself hooked on both Artur, the High Prince of the undersea realm, and Thomas, a hunky marine biologist. She's also caught between two factions of merfolk: those happy with swimming under the radar-and those who want to bring their existence to the surface.

A transcendent tale of a woman's self-discovery—the New York Times–bestselling second work of fiction by the author of The Secret Life of Bees and The Book of Longings Inside the church of a Benedictine monastery on Egret Island, just off the coast of South Carolina, resides a beautiful and mysterious chair ornately carved with mermaids and dedicated to a saint who, legend claims, was a mermaid before her conversion. When Jessie Sullivan is summoned home to the island to cope with her eccentric mother’s seemingly inexplicable behavior, she is living a conventional life with her husband, Hugh, a life “molded to the smallest space possible.” Jessie loves Hugh, but once on the island, she finds herself drawn to Brother Thomas, a monk about to take his final vows. Amid a rich community of unforgettable island women and the exotic beauty of marshlands, tidal creeks, and majestic egrets, Jessie grapples with the tension of desire and the struggle to deny it, with a freedom that feels overwhelmingly right, and with the immutable force of home and marriage. Is the power of the mermaid chair only a myth? Or will it alter the course of Jessie’s life? What happens will unlock the roots of her mother’s tormented past, but most of all, it will allow Jessie to discover selfhood and a place of belonging as she explores the thin line between the spiritual and the erotic.
