In little more than a generation, Asia has emerged from centuries of stagnation to become the rising force of the global economy. This transformation has been so spectacular that some have called it a miracle. How did it happen? Taking the reader from the docksides of Korea to the halls of India's finance ministry, *The Miracle* details the courageous decisions and heroic self-sacrifice that made Asia's ascent possible. Spanning nine countries and probing major historical currents, this account illuminates not only Asia's extraordinary economic rise but also how its causes might emancipate the developing world from poverty and guide the developed world to further prosperity. Using more than a decade of reporting and analysis, *Time* magazine and former *Wall Street Journal* reporter Michael Schuman uncovers how outsourcing to Asia began; how Asia's most famous companies, such as Sony and Honda, became global corporations; and how technological changes and global economic shifts made Asia's boom possible. He reveals the compelling human side to this economic story, introducing readers to the political strongmen, entrepreneurs, and policymakers who made the *Miracle* a reality. This engaging historical narrative brings to life the ideas and actions of a diverse group of Asians—dictators and democrats, generals and technocrats, economists and engineers. Some of the characters in the book have captured the global imagination for years, such as China's reformer Deng Xiaoping and Sony founder Akio Morita. Others are less well known, including Park Chung Hee, Korea's tightfisted nation builder; Liu Chuanzhi, the risk-taking founder of PC maker Lenovo; and Azim Premji, the mastermind behind Wipro, one of India's technology giants. All of them shared a dream—to elevate Asia to its proper place of influence in the world and eradicate the poverty around them. *The Miracle* not only offers profound insight into Asia and its increasing wealth and power; it also reveals how these seismic shifts continue to reverberate through the global economy. The implications of Asia's economic ascent for the rest of the world are surprising, promising, and inspiring. Readers of *The Miracle* will gain a deep understanding of Asia's place in the global economy—and of their own.

“If you are interested in how Asia became an economic tiger, read *The Miracle*.” —*New York Times* An international bestseller, *The Miracle* by business journalist Michael Schuman offers a fascinating exploration of the most meaningful and far-reaching global event since World War II: the economic ascent of the Asian continent. CNN's Wolf Blitzer calls *The Miracle*, “An amazing story and it's all true,” while the *New York Times* praises Schuman for being, “not just a skilled reporter [but] also a gifted journalistic storyteller.” *The Miracle* is essential reading for anyone who truly wants to understand today's—and tomorrow's—world.

Lena Blackburne loved baseball. He watched it, he played it, he coached it. But he didn't love the ways players broke in new baseballs. Tired of soggy, blackened, stinky baseballs, he found a better way. Thanks to a well-timed fishing trip and a top-secret mud recipe, Lena Blackburne Baseball Rubbing Mud was born. For seventy-five years, baseball teams have used Lena's magic mud to prepare baseballs before every game. Read the story of how Lena's mud went from a riverbank to the major leagues and all the way to the Hall of Fame.

Sophie and her brother are excited by the arrival of Hanukkah, and they happily clean the cottage and shine the Menorah as their gift to the family. But when their mother shares her worry that they do not have enough cooking oil to last eight days, their father tells them the story behind the holiday celebration and the miracle of the oil. Inspired by the story, the family creates its own Miracle Jar and watches the oil disappear as they enjoy the special food that each day brings. The family's hope and faith is confirmed when a last wipe of the cloth produces enough oil to prepare the eight day's treat.

Marly and her family share many adventures when they move from the city to Grandma's old farmhouse on Maple Hill. A Newbery Medal book. Simultaneous.

Long ago in a faraway place there lived two mothers. One, a humble peasant woman who struggled daily to provide for her children. And the other, a mother spider who also worked hard to care for her family. And although it would appear they were as different as night and day, these two mothers had more in common than would first seem. As the only holiday gift she can give her children, one cold Christmas Eve the peasant woman goes to the forest to get a tree, never noticing that someone has made a home among its branches. During the night, the mother spider spins webs decorating the tree, resulting in a Christmas that neither mother will ever forget. Based on an old Ukrainian story, Trinka Hakes Noble (The Orange Shoes) crafts an original heartwarming tale of the grace that can be found in the true spirit of Christmas. Trinka Hakes Noble's numerous picture books include The Scarlet Stockings Spy (IRA Teachers' Choice 2005), The Last Brother, The Orange Shoes (IRA Teachers' Choice 2008), and Apple Tree Christmas. Ms. Noble lives in northern New Jersey. Stephen Costanza attended the Philadelphia College of Art. His picture books are Mozart Finds a Melody, Noodle Man: The Pasta Superhero, and Ten Big Toes and a Prince's Nose. He lives in Belfast, Maine.

The mighty Soviets were the favorites to win hockey gold at the 1980 Winter Olympics. But a team of U.S. college players had other ideas. The stunning upset of the Soviet hockey team by the young Americans has been called the greatest moment in international hockey. And to many people the victory was about much more than sports. Americans had gone through difficult times at home and abroad. Beating the best hockey team in the world—and its major Cold War rival—gave Americans a sense of pride. One iconic photo captured the impact of that _miraculous_ historic event.

"Born blind in Vietnam, Julie Yip-Williams narrowly escaped euthanasia by her grandmother, only to then flee the political upheaval of the late 1970s with her family. Loaded into a rickety boat with three hundred other refugees, Julie made it to Hong Kong and, ultimately, America, where a surgeon at UCLA gave her partial sight. Against all odds, she became a Harvard-educated lawyer, with a husband, a family, a life. Then, at age thirty-seven, with two little

girls at home, Julie was diagnosed with terminal metastatic colon cancer, and a different journey began. The Unwinding of the Miracle is the story of a vigorous life refracted through the prism of imminent death. Motherhood, marriage, ambition, love, wanderlust, tennis, grief, jealousy, anger, comfort, pain, disease--there is simply nothing this book is not about. Growing out of a blog Julie has kept through the past four years of her life (undertaken because she couldn't find the guidance she needed through her disease), this is the story of a life lived so well, and cut too short. It is inspiring and instructive, delightful and shattering. It is a book of indelible moments, seared deep. With glorious humor, beautiful and bracing honesty, and the cleansing power of well-deployed anger, Julie Yip-Williams has set the stage for her lasting legacy and one final miracle: the story of her life"--

Do you believe in miracles? Sister Juliana does. She's seen miracles happen as she tends Saint Catherine's altar and guards her relic. Yet she doesn't quite dare to believe that even Saint Catherine could help her atone for her wicked past. Anna does. And she so desperately needs one. In a time when a deformity is interpreted as evidence of a grievous sin, in a place where community is vital to existence, Anna has no family, no home, and no master. Princess Gisele wants to. A miracle is the only thing that can save her from being given to a brutal, pagan chieftain in marriage. For those who come in faith, saints offer the answer to almost any prayer. But other forces are plotting to steal Saint Catherine's relic, to bend the saint's power to their own use. Penitent, pilgrim, princess — all will be drawn into an epic struggle where only faith can survive. But in a quest for divine blessing, only the most ruthless of souls may win the prize.
