The Misfortunes of Virtue is a blistering tale of woe that is unyielding and profane. Sade hurls his "victim" Justine from one catastrophe to another and he is relentless with the misery inflicted upon her. He teases the reader with false hope and deceitful benevolence and leads us into his suffocating nirvana of human indifference and selfishness.

Justine Or The Misfortunes of Virtue
By the Marquis de Sade The ultimate triumph of philosophy would be to cast light upon the mysterious ways in which Providence moves to achieve the designs it has for man, and then to deduce therefrom some plan of conduct which would enable that two-legged wretch, forever buffeted by the whims of the

Justine's attachment to virtue attracts nothing but misfortune, and she is subjected to an unending catalogue of sexual abuse. Sade's best-known novel, it overturns all religious, moral, and political norms, and still has the power to shock. This new translation of the 1791 version is the first for over 40 years, and the first critical edition.

The name of the Marquis de Sade is synonymous with the blackest corners of the human soul, a byword for all that is foulest in human conduct. In his bleak, claustrophobic universe, there is no God, no morality, no human affection, and no hope. Power is given to the strong, and the strong are murderers, torturers, and tyrants. No quarter is given; compassion is the virtue of the weak. Yet Sade was a man of savage intelligence who carried the philosophy of the French Enlightenment to its logical extreme. His writings effectively release the individual from all social and moral constraint: for many, Sade is the Great Libertarian. The Victorians considered him 'Divine' and Apollinaire called him 'the freest spirit'; the Surrealists recognised him as a founding father,

and he is a key figure in the history of modernism and post-modernism. With Freud and Marx, Sade has been one of the crucial shaping influences on this century, and reactions to him continue to be extreme. But he has always been more talked about than read. This selection of his early writings, some making their first appearance in this new translation, reveals the full range of Sade's sobering moods and considerable talents. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Justine Marquis De Sade - Justine (or The Misfortunes of Virtue) is set just before the French Revolution in France and tells the story of a young woman who goes under the name of Therese. Her story is recounted to Madame de Lorsagne while defending herself for her crimes, en route to punishment and death. She explains the series of misfortunes which have led her to be in her present situation.

Justine, a young orphan sets off to make her way in France. It follows her until age 26, in her quest for virtue. She is presented with sexual lessons,

hidden under a virtuous mask. The unfortunate situations include: the time when she seeks refuge and confession in a monastery, but is forced to become a sex slave to the monks, who subject her to countless orgies, rapes, and similar rigours. When helping a gentleman who is robbed in a field, he takes her back to his chateau with promises of a post caring for his wife, but she is then confined in a cave and subject to much the same punishment. These punishments are mostly the same throughout, even when she goes to a judge to beg for mercy in her case as an arsonist, and then finds herself openly humiliated in court, unable to defend herself. These are described in true Sadean form. However, unlike some of his other works, the novel is not just a catalogue of sadism. In her

search for work and shelter Justine constantly fell into the hands of rogues who would ravish and torture her and the people she makes friends with. Justine was falsely accused of theft by Harpin and sent to jail expecting execution. She had to ally herself with a Miss Dubois, a criminal who helped her to escape along with her band. In order to escape they had to start a fire in the prison, in which 21 people died. After escaping the band of Dubois, Justine wanders off and accidentally trespasses upon the lands of the count of Bressac. *****

*** Novel by Donatien Alphonse

François de Sade, better known in the history of literature as Marquis de Sade. The story of Justine tells the fate of two sisters and how the older sister, by acting vilely, was able to obtain a life full of benefits, while the younger (Justine) by acting well and maintaining her integrity, went through many unfortunate situations. This book speaks with a too explicit language, its situations are very aberrant bordering on madness, unnatural sexual debauchery, torture, blood, rapes; which are sometimes expressed with joy and the justification of each character. It's a read to enjoy twisted

Intent on leading a life of virtue, our heroine of the piece sets out to make her way in France. What befalls her is anything but virtuous. One after the other, at the hands of brigands and harlots, mad monks and rabid dogs, corrupt Justices, and vile Governors, she suffers indignities incomparable to any a young woman could ever imagine. So outraged was Napoleon by the dissemination of this work, that he ordered the immediate arrest and
