Two issues that stand at the

Both were significant to his

Online Library The Mormon Hierarchy Extensions Of

Online Library The Mormon Hierarchy Extensions Of

Power numerous heavenly messengers, received the "golden plates," translated the writing on the plates to produce the Book of Mormon, received priesthood authority from other heavenly messengers,

Online Library The Mormon Hierarchy Extensions Of

Online Library The Mormon Hierarchy Extensions Of

Power (the supposed appearance to Joseph Jr. of God the Father and his Son Jesus Christ in 1820), the Second Vision (1823 to 1827) which produced the Book of Mormon, and the Third Vision (late 1820s or early 1830s) which

Online Library The Mormon Hierarchy Extensions Of

Controversial questions.

There is a discussion of the serious lack of congruence between how Joseph Smith, Jr., described these events "officially" after 1837, and what was being said by the Smith family, their

Online Library The Mormon Hierarchy Extensions Of

Online Library The Mormon Hierarchy Extensions Of

Power there are several
conflicting versions of it
by Joseph Jr. in the 1830s,
once he started talking
about it. Primary focus,
however, is upon what the
author collectively calls
the Second Vision, which

Online Library The Mormon Hierarchy Extensions Of

Purportedly involved multiple visitations by an angel/spirit between 1823 and 1827. It was from this heavenly messenger that Joseph Jr. obtained "golden plates," and the Book of Mormon was, he maintained, a

After being a Mormon for forty years, the author was excommunicated by the LDS

Online Library The Mormon Hierarchy Extensions Of

Power marking the first time an orthodox practice became grounds for excommunication. The fourth phase began with David O. McKay and is still underway. In it Mormonism has adopted corporate management techniques to

four have all abandoned
doctrine. Growth in these
subsequent phases has been
defined in terms of
