The New Paradigm for Financial Markets: The Credit Crisis —

A new paradigm is a new way of thinking or doing things that replaces the old. New paradigms in the stock world can mean great profit potential as investors pile into revolutionary new ideas...

New Paradigm Definition and Examples—Investopedia

The New Financial Paradigm is too long by half, yes, and Soros occasionally tries to cram reflexivity into his explanations of unrelated phenomena. But for all that, reflexivity is a wonderful tool that has been both undeservedly dismissed and undeservedly unremarked upon.

The New Paradigm for Financial Markets: The Credit Crisis —

The new paradigm Soros recommends is based on what he calls the "theory of reflexivity." This book-length essay provides a crash course in the billionaire investor's philosophy and view of financial markets, the origins and consequences of the current credit crunch, the boom-bust model and the behavior of market participants.
