BBC - Religions - Paganism: The Pagan year

This classic of neo-Paganism is one of the few books which purports to be an actual sacred text of traditional witchcraft, in particular that of the Tuscan region of Italy. On New Years day 1897, a woman named Maddelena handed over to Charles Leland a document in her own handwriting, the Vangel, which is the core of this book.

□ A daybook containing information about rituals and celebrations that have for centuries been associated with the changing seasons of the year. □ Includes charts of equinoxes and solstices, movable holy days, and monthly lunar phases through 2033 □ First edition sold more than 30,000 copies Pagan rites and festivals are at the root of many traditional holidays in the Western world. Embracing a sensitivity we have lost, the Pagan traditions emphasize mystical spirituality, reverence for the feminine principle, and the links between people and the earth. This unique daybook contains a treasury of information about rituals and celebrations that have for centuries been associated with the changing seasons of the year. Included are the observances of the ancient Greek, Roman, Celtic, Anglo-Saxon, and Norse traditions, as well as Wiccan traditions and the worship of the Goddess. In The Pagan Book of Days the author provides details on auspicious and inauspicious days, holy days of ancient gods and goddesses, and the eight stations of the year (the solstices, equinoxes, and cross-quarter days). He also includes lunar and solar charts indicating dates of major Pagan celebrations from the year 2011 through 2033. Illustrations throughout depict images from the classical and northern European traditions. The Pagan Book of Days is an enlightening way to incorporate these ancient cultural and spiritual practices and awarenesses into your daily life.

A guide to the festivals, traditions, and sacred days of the year.

Celebrate significant milestones in pagan and ancient history each turn of the Wiccan Wheel of Days—from January 1st through December 31st. Researched and compiled by contemporary Wiccan expert and practicing witch Gerina Dunwich, this day-by-day calendar commemorates the pagan festivals and feasts, birthdays, and major events in Wiccan history, legend, and lore. Entries include the Roman festival of Carmentalia on January 11th, Whitsunday on June 4th, and the Chinese Festival of the Hungry Ghosts on August 18th. Highlighting Eastern, Western, and Native American holidays, feasts, and celebrations, The Wicca Book of Days is essential both as a Witch's calendar and as a highly browsable history of pagan culture and folklore from ancient times to the present.

Every Day Magic - A Pagan Book of Days contains 366 spells, rituals, meditations, Pagan

prayers, divinatory techniques, poems to read and recipes and craft projects to try out, along with the details of festivals that take place throughout the year. All the activities are intended to be easy to follow so you can pick up the book, open it to a day and find something you can do. There are festivals from the ancient world and modern Pagan celebrations as well.

This collection of rituals, practices, and exercises has been drawn from ancient sources, some have been preserved and some rituals have been updated by scholars from various pagan groups. This deluxe one-volume edition is specially designed to be read by candlelight.

Humorous and witty entries for every day of the year provoke new ideas and new ways of exploring paganism as a spiritual practice, revealing how contemporary spiritual experiences show up in the most unexpected places. Original.

Recipes, Spells, and Wisdom from the Hedgerow Once upon a time the witch held a place of esteem in the village; her knowledge of local plants and wayside herbs were used to heal; her wisdom and empathy made her the village matchmaker and marriage counselor; and her ability to commune with nature and animals gave her a place of revelry and wisdom. She was the Hedgewitch. Aimed at the busy witch, who is both breadmaker and breadwinner, this book revives the spirit of the Hedgewitch and teaches you how to make every day one full of wisdom, healing, and magic. For the practicing or would-be witch whose life is more jeans, chaos, and the never-ending question of what's for dinner than it is black robes, cauldrons, and incantations, Mandy Mitchell has a recipe for you! I want to demonstrate how daily chores can become magical rituals with the potential to enrich and transform your life—everything from the way we form relationships with our families and friends to cooking, cleaning, and healing. from the introduction Journey through the wheel of the year with one eye on the kettle and the other on the magical!

A practical guide to the magical history, customs, and practices of pre-Christian Northern Europe — Details the everyday magic of the Northern Tradition, including household magic, protection spells, and the significance of the days of the week — Explores direct natural magic, such as shapeshifting and soul travel, and talismanic or sigil magic, including runes and rituals to unlock the power of crafted objects — Explains how many of these customs continue to the present day In the pre-Christian societies of Northern Europe, magic was embedded in the practical skills of everyday life. Everything in Nature was ensouled with an inner spirit, as was anything made by hand. People believed in magic because it worked and because it was part of the functionality of their day-to-day lives. Many of these practical observances and customs continue to the present day as rural traditions, folk customs, household magic, and celebrations of the high and holy days of the calendar. Exploring the magical pagan traditions of the people now called Celtic, Germanic, Scandinavian, Slavonic, and Baltic, Nigel Pennick examines the underlying principle of the Northern Tradition—the concept of Wyrð—and how it empowers the arts of operative magic, such as direct natural magic and talismanic or sigil magic. Through direct natural magic, individuals can shape shift, journey out of the body, or send one of their three souls (fylgia or “fetch”) ahead of them. Sigil magic involves the powers contained in objects, which can be channeled after the appropriate ritual. Runes are the most powerful sigils in the Northern Tradition and were used to ward off illness, danger, hostile magic, and malevolent spirits. Emphasizing the importance of the cycles of Nature to the tradition, Pennick explores the eightfold sun dials and the four ways the solar year is defined. He looks at the days of the week and their symbolic association with different deities as well as why particular acts are performed on certain days and what the customary lucky and unlucky days are. He also examines sacred spaces, household magic, protection spells, and the role of

music in the Northern Tradition. Explaining all the traditional holidays and activities necessary to honor them, Pennick shows how anyone can participate authentically in the magic of the Northern Tradition if they take care to do things properly, with respect, and on the right day.

Llewellyn's Complete Book of Correspondences is a clear, straightforward companion for Pagan and Wiccan ritual and spellwork. Entries are cross-referenced, indexed, and organized by categories and subcategories, making it easy to find what you need. This comprehensive reference provides a fascinating look at why correspondences are more than just lists of objects to focus intent on—they are fundamental to how we think. When we use correspondences, we weave together our ideas, beliefs, and energy, creating deeper meaning in our rituals and spellwork as we unite our individuality with a larger purpose. The use of correspondences embodies both physical and symbolic energy and provides the means for uniting the seen and unseen worlds. Packed with content yet easy to use, Llewellyn's Complete Book of Correspondences covers traditional correspondences and also provides instruction for forging new ones that hold special meaning for you. Plants Minerals Animals Deities Zodiac Moon Phases Days and Times Ogham Runes Tarot Elements Numbers Chakras Colors And More

The simple Sabbat is a compilation of simple and very eclectic Sabbat rituals, recipes, crafting ideas and factoids that anyone can use to celebrate the eight Pagan holidays. These are rituals and ideas that any family can use yearly and are a great way to connect the seasons in nature and the turning of the Wheel. This book can be a great teaching tool for parents to use to help teach their children these special days.
