The Passion According to G.H. is a difficult book to talk about in part because it attempts to say the unsayables I'm going to talk about it in a very roundabout, personal way. If you're one of those Dagnet types who wants 'just the facts, ma'am,' you'd better scram right about now because I have absolutely no idea where this thing is going.

The Passion According to G.H. by Clarice Lispector

In 1964, Lispector published The Passion According to GH, which is considered to be her literary masterpiece. It is an eccentric story as it details the life of a wealthy Brazilian artist. This artist steps into her maid's personal room one day and sees a cockroach crawl from underneath the closet. Scared of the tiny creature, she crushes it.

The Passion According to G.H. by Clarice Lispector

Individuation of G.H.: Violent and Self-Affective Touch. February 15, 2019 by Essay Writer. As conceptualized by Luce Irigaray, notions of self-affective touch are present in, and in fact are immensely important to, Clarice Lispector's The Passion According to G.H. Irigaray conceives of touch as necessarily constituting tact, which calls for the respect of limits within the self and the other.

The Passion According to GH Literature Essay Samples

In Clarice Lispector's The Passion According to G.H., the protagonist contemplates the meanings and the implications of what Kristeva outlines as "the abject," which takes the form of a dead cockroach with white puss coming from its crushed stomach.

The Passion According to G.H. by Clarice Lispector. "A note exists between two notes of music, between two facts exists a fact, between two grains of sand no matter how close together there exists an interval of space, a sense that exists between senses," writes Brazilian novelist Clarice Lispector in The Passion According to G.H.

The Passion According To G.H. By Clarice Lispector - The ...

The Passion According to G.H. Quotes Showing 1-30 of 169 "The world's continual breathing is what we hear and call silence." ? Clarice Lispector, The Passion According to G.H.

One of Elena Ferrante's Top 40 Books by Women G.H., a well-to-do Rio sculptress, enters the room of her maid, which is as clear and white 'as in an insane asylum from which dangerous objects have been removed'. There she sees a cockroach - black, dusty, prehistoric - crawling out of the wardrobe and, panicking, slams the door on it. Her irresistible fascination with the dying insect provokes a spiritual crisis, in which she questions her place in the universe and her very identity, propelling her towards an act of shocking transgression. Clarice Lispector's spare, deeply disturbing yet luminous novel transforms language into something otherworldly, and is one of her most unsettling and compelling works. Clarice Lispector was a Brazilian novelist and short story writer. Her innovation in fiction brought her international renown. References to her literary work pervade the music and literature of Brazil and Latin America. She was born in the Ukraine in 1920, but in the aftermath of World War I and the Russian Civil War, the family fled to Romania and eventually sailed to Brazil. She published her first novel, Near to the Wildheart in 1943 when she was just twenty-three, and the next year was awarded the Graça Aranha Prize for the best first novel. Many felt she had given Brazilian literature a unique voice in the larger context of Portuguese literature. After living variously in Italy, the UK, Switzerland and the US, in 1959, Lispector with her children returned to Brazil where she wrote her most influential novels including The Passion According to G.H. She died in 1977, shortly after the publication of her final novel, The Hour of the Star.

Lispector's most shocking novel. The Passion According to G.H., Clarice Lispector's mystical novel of 1964, concerns a well-to-do Rio sculptress, G.H., who enters her maid's room, sees a cockroach crawling out of the wardrobe, and, panicking, slams the door -crushing the cockroach -and then watches it die. At the end of the novel, at the height of a spiritual crisis, comes the most famous and most genuinely shocking scene in Brazilian literature... Lispector wrote that of all her works this novel was the one that "best corresponded to her demands as a writer."

Lispector's most shocking novel.

One of the most phenomenally acclaimed and successful books of recent years is now available as a paperback-with three just-discovered stories Here, gathered in one volume, are the stories that made Clarice a Brazilian legend. Originally a cloth edition of eighty-six stories, now we have eighty- nine in all, covering her whole amazing career, from her teenage years to her deathbed. In these pages, we meet teenagers becoming aware of their sexual and artistic powers, humdrum housewives whose lives are shattered by unexpected epiphanies, old people who don't know what to do with themselves- and in their stories, Clarice takes us through their lives-and hers-and ours.

Now in paperback, a romantic love story by the great Brazilian writer

"That rare person who looked like Marlene Dietrich and wrote like Virginia Woolf," Clarice Lispector is one of the most popular but least understood of Latin American writers. Now, after years of research on three continents, drawing on previously unknown manuscripts and dozens of interviews, Benjamin Moser demonstrates how Lispector's development as a writer was directly connected to the story of her turbulent life. Born in the nightmarish landscape of post-World War I Ukraine, Clarice became, virtually from adolescence, a person whose beauty, genius, and eccentricity intrigued Brazil. Why This World tells how this precocious girl, through long exile abroad and difficult personal struggles, matured into a great writer. It also asserts, for the first time, the deep roots in the Jewish mystical tradition that make her the true heir to Kafka as well as the unlikely author of "perhaps the greatest spiritual autobiography of the twentieth century." From Chechelnik to Recife, from Naples and Berne to Washington and Rio de Janeiro, Why This World strips away the mythology surrounding this extraordinary figure and shows how Clarice Lispector transformed one woman's struggles into a universally resonant art.

This new translation of Clarice Lispector's sensational first book tells the story of a middle class woman's life from childhood through an unhappy marriage and its dissolution to transcendence. Near to the Wild Heart, published in Rio de Janeiro in 1943, introduced Brazil to what one writer called "Hurricane Clarice": a twenty-three-year-old girl who wrote her first book in a tiny rented room and then baptized it with a title taken from Joyce: "He was alone, unheeded, near to the wild heart of life." The book was an unprecedented sensation - the discovery of a genius. Narrative epiphanies and interior monologue frame the life of Joana, from her middle-class childhood through her unhappy marriage and its dissolution to transcendence, when she proclaims: "I shall arise as strong and comely as a young colt."

In paperback, Clarice Lispector's explosive and surprising second novel The Chandelier, written when Lispector was only twenty-three, reveals a very different author from the college student whose debut novel, Near to the Wild Heart, announced the landfall of "Hurricane Clarice." Virginia and her cruel, beautiful brother, Daniel, grow up in a decaying country mansion. They leave for the city, but the change of locale leaves Virginia's internal life unperturbed. In intensely poetic language, Lispector conducts a stratigraphic excavation of Virginia's thoughts, revealing the drama of Clarice's lifelong quest to discover "the nucleus made of a single instant"-and displaying a new face of this great writer, blazing with the vitality of youth.

Best of 2016 -- NPR, BUST Magazine BuzzFeed's Best Debuts of 2016 Winner of the 2016 Brooklyn Eagles Literary Prize for Fiction New York Times Editors' Choice 2016 Barnes & Noble Discover selection "An elegant page-turner....Charges forward with the momentum of a bullet." --New York Times Book Review For fans of Robin Sloan's Mr. Penumbra's 24-Hour Bookstore and Maria Semple's Where'd You Go, Bernadette, an inventive, brilliant debut novel about the disappearance of a famous Brazilian novelist and the young translator who turns her life upside down to follow her author's trail. Beatriz Yagoda was once one of Brazil's most celebrated authors. At the age of sixty, she is mostly forgotten-until one summer afternoon when she enters a park in Rio de Janeiro, climbs into an almond tree, and disappears. When her devoted translator Emma hears the news in wintry Pittsburgh, she flies to the sticky heat of Rio. There she joins the author's son and daughter to solve the mystery of Yagoda's disappearance and satisfy the demands of the colorful characters left in her wake, including a loan shark with a debt to collect and the washed-up editor who launched Yagoda's career. What they discover is how much of her they never knew. Exquisitely imagined and as profound as it is suspenseful, Ways to Disappear is at once a thrilling story of intrigue and a radiant novel of self-reckoning.

Seven decades after its original publication, Clarice Lispector's third novel-the story of a girl and the city her gaze reveals-is in English at last Seven decades after its original publication, Clarice Lispector's third novel-the story of a girl and the city her gaze reveals-is in English at last. Lucrécia Neves is ready to marry. Her suitors-soldierly Felipe, pensive Perseu, dependable Mateus-are attracted to her tawdry not-quite-beauty, which is of a piece with Sao Geraldo, the rough-and-ready township she inhabits. Civilization is on its way to this place, where wild horses still roam. As Lucrécia is tamed by marriage, Sao Geraldo gradually expels its horses; and as the town strives for the highest attainment it can conceive-a viaduct-it takes on the progressively more metropolitan manners that Lucrécia, with her vulgar ambitions, desires too. Yet it is precisely through this woman's superficiality-her identification with the porcelain knickknacks in her mother's parlor-that Clarice Lispector creates a profound and enigmatic meditation on "the mystery of the thing." Written in Europe shortly after Clarice Lispector's own marriage, The Besieged City is a proving ground for the intricate language and the radical ideas that characterize one of her century's greatest writers-and an ironic ode to the magnetism of the material.
