LibrisNotes: The Promise of Amazing by Robin Constantine

By far, one of the aspects of Promise of Amazing is Wren and Grayson's connection. You can turn your nose at it and call it instalove if you wish, but I loved the way these kids couldn't stay away from one another. It wasn't creepy or stalker-esque (but their conversation about that is sooo precious).

In an emotionally rich and captivating new novel, New York Times bestselling author Marie Bostwick reunites three sisters whose deep bond is rooted in an unconventional past. Every child prodigy grows up eventually. For the Promise sisters, escaping their mother's narcissism and the notoriety that came with her bestselling book hasn't been easy. Minerva Promise claimed that her three "test tube" daughters—gifted pianist Joanie, artistic Meg, and storyteller Avery—were engineered and molded to be geniuses. In adulthood, their modest lives fall far short of her grand ambitions. But now, twenty years after the book's release, she hopes to redeem herself by taking part in a new documentary. Meg, who hasn't picked up a paintbrush in years, adamantly refuses to participate, until a car accident leaves her with crushing medical bills. While she recuperates in Seattle, the three sisters reluctantly meet with filmmaker Hal Seeger, another former prodigy. Like them, he's familiar with the weight of failed potential. But

Drawing from her own heart-wrenching story of redemption, *A Promise Kept* is Robin Lee Hatcher's emotionally charged thanksgiving to a God who answers prayers—in His own time and His own ways. Praised by New York Times bestselling author Lauren Myracle as "hilarious, moving and flat-out fun," and Kirkus as a "pitch-perfect rendering ... of the teen experience," *Ten Things I Did (and Probably Shouldn't Have)* has captured the hearts of critics and readers alike. Fans of Sarah Dessen, E. Lockhart, and Maureen Johnson will love this hilarious and heartwarming tale of a girl on her own for the first time. If given the opportunity, what sixteen-year-old wouldn't jump at the chance to move in with a friend and live parent-free? Although maybe "opportunity" isn't the right word, since April had to tell her dad a tiny little untruth to make it happen (see #1: "Lied to Our Parents"). But she and her housemate Vi are totally responsible and able to take care of themselves. How they ended up "Skipping School" (#3), "Buying a Hot Tub" (#4), and, um, "Harboring a Fugitive" (#7) is a mystery to them. To get through the year, April will have to juggle a love triangle, learn to do her own laundry, and accept that her carefully constructed world just might be falling apart . . . one thing-she-shouldn't-have-done at a time.
