The Relationship Principles of Jesus eBook: Holladay, Tom ...

The Relationship Principles of Jesus 6/30/08 9:26:47 AM The opening sentence of The Purpose Driven Life is "It's not about you." This book, The Relationship Principles of Jesus, is a natural extension of that concept. Selfishness must be replaced by unselfishness. Conceit must be replaced by compassion. Ego must be replaced by altruism.

"A six-session video-based study for small groups"--Container.

Love-Powered Parenting is written out of a love for parenting and a deep desire to encourage parents. Yes, there are experiences in parenting that can cause deep hurt. Yes, there are realities in parenting that certainly will cause you to feel inept. Yet at the core of it all there is a deep gratefulness for the gift that God gives in the opportunity to love a child. This book is a biblical guide to parenting. And by "biblical guide" we mean these pages are intended to take you on a journey through what the truth of God's Word has to say about parenting. The main goal is not to uncover psychological truths about your child—there are many good resources on psychological theory; nor does it include practical tips for everyday circumstances such as how to get your kids to eat their green beans. Here, we will explore the simple and profound principles of God's Word to distinguish psychological truth from error, educational reality from untested theory, and we'll be looking at these tips within the broader context of God's principles for parenting.

Do you want to sense God's encouragement, comfort, and love for you every day? Dr. Tony Evans reveals that as you live like a horizontal Jesus--giving these things away to others--you will personally experience them with God like never before.

What do Alfred Adler, William Glasser, Albert Ellis, and Jesus have in common? Together they can help you have healthier relationships now. You don't have to be an ordained minister or a trained psychologist to appreciate the simple concepts found in this book: • "Who am I?" and "What's Wrong with Me?" Are Not Helpful Questions. • Better than "Who am I?" and "What's Wrong With Me?" • Are the Questions, "Where am I?" and "Where am I Going?" • Where I go (my behavior) is motivated toward achieving a goal. • Understand the goal, understand the behavior. • People and Events Don't Bother Us. Our Perceptions of Them Do. • We can't always choose our circumstances, • but we can always choose our response to circumstances. Along with these concepts, *The Psychology of Jesus* offers practical help for living in relationship through a close study of Jesus' encounters with people in the gospels and opportunities to examine your own life as you live it in relationship. REVIEWS: David Jones achieved the pledge he made in the book's introduction to offer from psychology and the gospel accounts of the life of Jesus practical help for living in relationships. In each chapter he uses biblical texts, stories and quotations to challenge the reader's thinking. A section on applying each chapter's content to life is included, along with a personal exercise. He effectively challenges the questions people ask themselves to achieve personal and spiritual growth. Instead of "Who is God?" Jones says we should ask "Where is God?" A better self-directed question than "Who am I?" should be "Where am I going?" In answering these questions, we come to understand God is where the sinners are and we should be where God is. I strongly recommend this book. Ann Bishop I read this book in a group setting over the course of several weeks. We discussed 2 chapters at a time in the group each week. The subtitle of the book is very revealing and very appropriate---"Practical Help for Living in a Relationship". The author takes various text readings from the Bible all involving Jesus obviously and then breaks down the "movements" of Jesus. Jesus is interacting with people in all the chosen

text excerpts--and so the challenge is to see how we can apply this interaction into our own modern day relationships. I'm not sure I like the first part of the Title of the book---The Psychology of Jesus--only because it made me feel (before I picked up the book) that Jesus was pre-planning and/or pre-meditating all of his encounters in the Bible in order to prove a point. Perhaps he was. But Psychology is pretty much a modern day term and so the beauty of the book is that the author applies modern day psychology to the actions of Jesus way back when. And it works. The insights about the "movements" of Jesus both away from and towards his encounters along with the exercises at the end of each chapter helped me to understand more clearly how we should all strive to have meaningful relationships. And what happens when a relationship ceases to grow. Mark Oldham David Jones offers solid practical guidance for understanding what motivates our behavior in relationships. He weaves a number of psychological theories with examples from relationships in the life of Jesus to illustrate that Jesus' interpersonal style is to be a loving presence. "The Psychology of Jesus" as described by David is a way of relating that supports our innate desire for growth and change in our lives. It is not a psychology intended to "fix us" or our circumstances but rather to enable us. This type of relationship provides a safe place where we can understand and be understood. It is this climate of "understanding" that is the source or power to effect meaningful change in our lives, as much as, or more than "doing." Throughout his book, the message is clear - IF action is warranted, it is far more likely to have the desired effect when nonjudgemental understanding precedes it. David's writing is insightful and sensitive and reflects a Pastor's heart. It provokes self-examination without any sense of self-recrimination. I have witnessed the use of the book's material in a group discussion setting where it fosters a climate of trust that allows for openness and positive change for the better. I have found it very helpful for understanding my behavior and relationships. Jim Quiggins

Life Is Never Mainly About Love and Marriage. So Learn to Live and Date for More. Many of you grew up assuming that marriage would meet all of your needs and unlock God's purposes for you. But God has far more planned for you than your future marriage. Not Yet Married is not about waiting quietly in the corner of the world for God to bring you "the one," but about inspiring you to live and date for more now. If you follow Jesus, the search for a spouse is no longer a pursuit of the perfect person, but a pursuit of more of God. He will likely write a love story for you different than the one you would write for yourself, but that's because he loves you and knows how to write a better story. This book was written to help you find real hope, happiness, and purpose in your not-yet-married life.

A Study Guide and a Teacher's Manual Gospel Principles was written both as a personal study guide and as a teacher's manual. As you study it, seeking the Spirit of the Lord, you can grow in your understanding and testimony of God the Father, Jesus Christ and His Atonement, and the Restoration of the gospel. You can find answers to life's questions, gain an assurance of your purpose and self-worth, and face personal and family challenges with faith.

Christ's death on the cross offers victory over bitterness, addictions, occult bondage, and debilitating strongholds. Encounter! Receive Christ's Freedom will show you how to apply Christ's victory to your own life. This book is an excellent resource for someone who is bound by sinful habits or who simply needs to live an abundant life. It explains clearly how to receive the fullness of the Holy Spirit and then to walk in the Spirit's power. It's a great resource to use individually or in a retreat setting. In the back of the book, there's a coach's section to help guide someone else through the contents of this book. Topics include: Repentance and forgiveness; The power of the cross over sin, Satan, and demonic strongholds; How to receive inner healing; Freedom from the fear of death; How to be filled with the Spirit.
