In this groundbreaking and now famous work, Mark Booth embarks on an enthralling tour of our world's secret histories. Starting from a dangerous premise that everything we've known about our world's past is corrupted, and that the stories put forward by the various cults and mystery schools throughout history are true Booth produces nothing short of an alternate history of the past 3,000 years.

The complete history of the world, from the beginning of time to the present day, based on the beliefs and writings of the secret societies. Jonathan Black examines the end of the world and the coming of the Antichrist. Or is the Antichrist already here? How will he make himself known and what will become of the world when he does?

The Secret History of the World: As Laid Down by the Secret Societies, by author Mark Booth, is every bit as ludicrous as the title sounds. That being said, there are moments of genuinely brilliant writing and profoundly interesting ideas. Booth sabotages himself with far too many obscure references and endless name-dropping.

Everything in this history is upside down, inside out and the other way around. At the heart of "The Secret History of the World" is the belief that we can reach an altered state of consciousness in which we can see things about the way the world works that are hidden from us in our everyday, commonsensical consciousness.

The Secret History of the Future. - Slate Magazine

A new theory on how World War I started—not with the assassination of Archduke Franz Ferdinand, but rather 10 years earlier, by power-hungry men whose lies have infiltrated history. Hidden History uniquely exposes those responsible for World War I. It reveals how accounts of the war's origins have been deliberately falsified to conceal the guilt of the secret cabal of very rich and powerful men in London responsible for the most heinous crime perpetrated on humanity.
