Sketchnote Workbook, The by Rohde Mike (ebook)

Sketchnoting, also commonly referred to as visual notetaking, is the creative and graphic process through which an individual can record their thoughts with the use of illustrations, symbols, structures, and texts. By combining graphics with the traditional method of using text, the result is information that is captured and communicated visually and artistically. Sketchnoting can be used in a variety of settings and scenarios, such as at conferences, work meetings, classes in school, sporting e
