Eva Luna tells the life story of her old friend Clarisa, who died of amazement when the pope arrived for a visit and was met in the street by homosexuals dressed as nuns. (The reference is likely...

For the first time in trade paperback, this collection, narrated by one of Allende's most memorable characters, magnificently illustrates the universal themes and evocative ideas that have made the author a leading voice in contemporary fiction.

****The remarkable novel from the multi-million-bestselling author of *The House of the Spirits* and *The Japanese Lover***** Meet the unforgettable Eva Luna: a lover, a writer, a revolutionary and above all, a storyteller. Eva Luna is the daughter of a professor's assistant and a snake-bitten gardener — born poor, orphaned at an early age and working as a servant. Eva is a naturally gifted and imaginative storyteller who meets people from all walks of life. Though she has no wealth, she trades her stories like currency with people who are kind to her. As she shares her stories, she introduces an eccentric cast of characters: the Lebanese émigré who takes her in, her Catholic godmother who believes in saints, a street urchin who grows up to be the leader of the guerrilla struggle, a celebrated trans cabaret star and a young refugee whose flight from postwar Europe will change Eva's life forever. As Eva tells her story, Isabel Allende brings to life a complex South American country — the rich, the poor, the sophisticated — in a novel that celebrates the power of imagination and storytelling. Praise for Isabel Allende's *Eva Luna*: "Vibrant, colourful characters; the ordinary fused with the grotesque; a Latin American setting, tropical this time; vivid, elegant narrative. The narrator, Eva Luna, is herself a story-teller in the Allende tradition" *Guardian* "An evident affection for words, compassion for the oppressed and the inarticulate, the daring ambition to draw cross-sections of whole societies . . . Allende's work glows" *New York Times* "Sumptuous . . . a tale that spans forty years and moves from a surreal jungle to a modern-day urban capital where even the most apolitical are driven to risky anti-government activities" *Chicago Tribune* "Allende rearranges reality with a blend of memories, mysticism and imagination" *The Philadelphia Inquirer* "A remarkable novel, one in which a cascade of stories tumbled out before the reader, stories vivid and passionate and human" *Washington Post* "Magnificent . . . Allende is a prodigious fabulist, weaving extraordinary tales" *Publishers Weekly*

A servant woman relates the tale of her life and of the landowners, emigres, urchins, guerilla leaders, entertainers, eccentrics, and refugees who instruct and transform her

At a small gallery in Florence, a Peruvian writer happens upon a photograph of a tribal storyteller deep in the jungles of the Amazon. He is overcome with the eerie sense that he knows this man...that the storyteller is not an Indian at all but an old school friend, Saul Zuratas. As recollections of Zuratas flow through his mind, the writer begins to imagine Zuratas's transformation from a modern to a central

member of the unacculturated Machiguenga tribe. Weaving the mysteries of identity, storytelling, and truth, Vargas Llosa has created a spellbinding tale of one man's journey from the modern world to our origins, abandoning one in order to find meaning in both.

An exotic dance that beguiles and entices... The enchanted and enchanting account of a contemporary Scheherazade, a wide-eyed American teller-of-tales who triumphs over harsh reality through the creative power of her own imagination...From the Paperback edition.

En *Eva Luna*, su tercera novela, Isabel Allende recupera su país a través de la memoria y la imaginación. La cautivadora protagonista de esta historia constituye un nostálgico álter ego de la autora, que se llama a sí misma «ladrona de historias» precisamente porque en las historias radica el secreto de la vida y el mundo. Novela de hondo perfil humano, *Eva Luna* funde el destino individual con el colectivo mediante una fulgurante prosa de carácter épico. Sin duda, una de las mejores obras de la literatura latinoamericana de los últimos años. Reseña: «Cuando Isabel Allende puso el punto final de *Eva Luna*, logró tatuarse un símbolo que honra su epidermis: dejó de ser chilena, peruana o venezolana, y pasó a ser intensamente latinoamericana.» Luis Sepúlveda ENGLISH DESCRIPTION "A remarkable novel" (The Washington Post) from New York Times bestselling author Isabel Allende's introducing her most enchanting creation, *Eva Luna*: a lover, a writer, a revolutionary, and above all a storyteller. *Eva Luna* is the daughter of a professor's assistant and a snake-bitten gardener--born poor, orphaned at an early age, and working as a servant. Eva is a naturally gifted and imaginative storyteller who meets people from all stations and walks of life. Though she has no wealth, she trades her stories like currency with people who are kind to her. In this novel, she shares the story of her own life and introduces readers to a diverse and eccentric cast of characters including the Lebanese émigré who befriends her and takes her in; her unfortunate godmother, whose brain is addled by rum and who believes in all the Catholic saints and a few of her own invention; a street urchin who grows into a petty criminal and, later, a leader in the guerrilla struggle; a celebrated transsexual entertainer who instructs her in the ways of the adult world; and a young refugee whose flight from postwar Europe will prove crucial to Eva's fate. As Eva tells her story, Isabel Allende conjures up a whole complex South American nation--the rich, the poor, the simple, and the sophisticated--in a novel replete with character and incident, with drama and comedy and history, with battles and passions, rebellions and reunions, a novel that celebrates the power of imagination to create a better world.

Analyse : Roman d'amour. Roman de société.

An esteemed memoirist and one of the great editors in British publishing examines aging with the grace of *Elegy for Iris* and the wry irreverence of *I Feel Bad About My Neck*.

The magnificent title story of this collection of fairy tales for adults describes the strange and uncanny relationship between its extravagantly intelligent heroine--a world renowned scholar of the art of storytelling--and the marvelous being that lives in a mysterious bottle, found in a dusty shop in an Istanbul bazaar. As A.S. Byatt renders this relationship with a powerful combination of erudition and passion, she makes the interaction of the natural and the supernatural seem not only convincing, but inevitable. The companion stories in this collection each display different facets of Byatt's remarkable gift for enchantment. They range from fables of sexual obsession to allegories of political tragedy; they draw us into narratives that are as mesmerizing as dreams and as bracing as philosophical meditations; and they all us to inhabit an imaginative universe astonishing in the precision of its detail, its intellectual consistency, and its splendor. "A dreamy treat.... It is not merely strange, it is wondrous." --Boston Globe "Alternatingly erudite and earthy, direct and playful.... If Scheherazade ever needs a break, Byatt can step in, indefinitely." --Chicago Tribune "Byatt's writing is crystalline and splendidly imaginative.... These [are] perfectly formed tales." --Washington Post Book World
