Following Instructions The Sword Of Moses

The Sword of Moses is the title of an apocryphal Jewish book of magic edited by Moses Gaster in Palestine, in 1896 from a 13th- or 14th-century manuscript from his own collection, formerly MS Gaster 78, now London, British Library MS Or. 10678. Gaster assumed that the text predates the 11th century, based on a letter by Rav Hai Gaon which mentions the book alongside the Sefer ha-Yashar, described as another book of formulas, and that it may even date to as early as the first four centuries CE. B

As for the books with formulas, he goes on to say: "We have a number of them, such as the book called 'Sefer ha-Yashar,' and the book called 'The Sword of Moses,' which commences with the words, 'Four' angels are appointed to the Sword,' and there are in it exalted and miraculous things; there is, further, the book called 'The Great Mystery,' besides the minor treatises, which are innumerable. And many have labored in vain to find out the truth of these things."

THE SWORD OF MOSES (The Sword of Moses) by Dominic Selwood, is a story that covers several genres. If you are into the search for archaeological treasures, the occult/mysticism, the rise of the Fourth Reich, or just plain old secret agents running loose, then this is the book for you.

Dr Ava Curzon is Lara Croft meets Evelyn Salt - the first real challenger to Dan Brown's Robert Langdon. "Rollercoaster crypto-thriller ... a ride that thrills and educates ... move over Lara Croft!" (Daily Express - Five Star - Pick of the Week) When former MI6 agent turned archaeologist Dr Ava Curzon is engaged by American intelligence to track down an African militia claiming to hold the Ark of the Covenant, she is plunged into a world where nothing is what it seems. Her breakneck descent into the shadowy realm of dark biblical magic hurls her across continents and into the opaque worlds of the Knights Templar, freemasons, occultists, and extremist.

A practical guide to the famed medieval book of pre-kabbalistic Jewish magic, freshly interpreted and revealed for the first time with instructions on how to use the spells. The Sword of Moses is one of the earliest Jewish magic books, which describes a rite for adjuring angels to assist in controlling and wielding the "Sword of Moses" for magical purposes. The rite involves a short period of purification and then the adjuring of four sets of angels, each higher than the last. These angels in turn give the magician the power to control the Sword through a series of divine names that work as magical spells. The spells, 137 in all, have a wide variety of uses, including healing, harm, love, sex, exorcising demons, divination, and more. This work was first translated by Moses Gaster in 1896, but he removed many of the spells, making the text unusable for magic. The Magic of the Sword of Moses is the first book to show in detail, exactly how a magician can use the Sword--how to do the purification ritual, adjure the angels, and pronounce and use the divine names for each spell.

An ancient evil has been unleashed... When former MI6 agent turned archaeologist Dr Ava Curzon is engaged by American intelligence to track down an African militia claiming to hold the Ark of the Covenant, she is plunged into a world where nothing is what it seems. Her breakneck descent into the shadowy realm of dark biblical magic hurls her across continents and into the opaque worlds of the Knights Templar, freemasons, occultists, and extremist neo-Nazis, pushing her mentally and physically to the limits. As the plot twists and turns across the centuries, she requires all her skills to solve a trail of ancient clues leading her inexorably towards a terrifying ritual. Taking centre stage, she faces the ultimate battle against an age-old evil she must stop at all costs. For readers of Dan Brown and Kate Mosse comes The Sword of Moses, an extraordinary and gripping adventure. Praise for Dominic Selwood 'A rollercoaster crypto-thriller ... a ride that thrills and educates ... move over Lara Croft!' Daily Express 'One of the top 5 religious thrillers of all time' BestThrillers.com

Magic has exercised the deepest influence upon mankind from remote antiquity unto our own days. It either formed part of the religion of the country, as it was the case in ancient Egypt and Babylon and as it is now in some forms of Buddhism (Tibet), or lived an independent life side by side with the recognized religion. In some instances it was tolerated, or rendered less obnoxious, by a peculiar subdivision into white or beneficial and black or evil magic, or was downright persecuted. Wherever we go, however, and especially if we turn to the popular beliefs that rule the so-called civilized nations, we shall always and everywhere find a complete system of magical formulas and incantations. The belief in the witch and wizard, and their powerful filters and charms, holds still stronger sway upon human imagination than appears at first sight.

This Is A New Release Of The Original 1896 Edition.

There have been a few versions of the sword of moses with various authors Gaster version being the most famous. All have one thing in common the words

in the sword of moses the conjuration of the sword are encoded and unreadable which in my belief renders it useless as a workable system. So in this book I have replaced theses words of power with a readable format which are as equal if not more effective than the original. I hope you enjoy this version of the Conjuration of the Sword of Moses.
