The Thin Book of Trust: An Essential Primer for Building ...

Having the trust of those you work with is too important not to be intentional about building and maintaining it. The goal of The Thin Book of® Trust is to give you enough clear and concrete language to understand and address issues of trust at work and includes some sample scripts. You will learn how to build and maintain strong trusting relationships with others, and repair trust when it is broken, by being intentional and consistent in your language and actions.
