While "Alexander: The Ultimate Cut" may still have some problems that no amount of reediting or restructuring can overcome, it is now an incontestably better work than it once was and deserves to be considered as the proper version of the film in the way that the full length "Heaven's Gate" is now regarded after its years in the cinematic wilderness. For starters, it now feels like the epic it was always meant to be—at 207 minutes (complete with an intermission), it finally has time

A Reappraisal of Oliver Stone's "Alexander: The Ultimate Cut"
When COVID-19 smashed the economy, people got desperate. And when people got desperate, they tried selling their dicks. This is the only acceptable explanation I can muster for a tremendous spike in Google searches like “ can you sell your penis? ” and “ how much can you sell your penis for? ” (Google searches really are a window to the collective mind of humanity.)

Selling on eBay isn't worth it if you don't secure your items, and they break in shipping. If you're selling something heavy, it's probably best to put the item in a box and then put that box inside a box then fill it with paper and bubble wrap. Double boxing heavy items is a great way to keep the items safe. Combining Shipping

selling story must not only entertain and connect, it must move the prospect toward the sale. Using the Hero's Journey of Story Selling... The Hero's Journey is the universal story formula hidden underneath nearly every great work of fiction. "The Hero's Journey of Story Selling" is Roy Furr's affectionate title for slightly different story formula, The Ultimate Selling Story. This is the single-most effective story template for selling nearly any product, in any media, to any market.
