"The Will To Change" is a broad description of what the Patriarchy does to men—Dr. hooks describes a totalized system, I have to admit I've not experienced all the manifestations of patriarchy described, but I'd imagine that just means I'm either lucky or have some blinders. What follows are a few points made throughout the book:

### **The Will to Change: Men, Masculinity, and Love: hooks ...**

Everyone needs to love and be loved -- even men. But to know love, men must be able to look at the ways that patriarchal culture keeps them from knowing themselves, from being in touch with their feelings, from loving. In *The Will to Change*, bell hooks gets to the heart of the matter and shows men how to express the emotions that are a fundamental part of who they are --.

*The Will to Change* Quotes Showing 1-30 of 63 "To create loving men, we must love males. Loving maleness is different from praising and rewarding males for living up to sexist-defined notions of male identity. Caring about men because of what they do for us is not the same as loving males for simply being.

### **The Will to Change Quotes by bell hooks - Goodreads**

She believes men can find the way to spiritual unity by getting back in touch with the emotionally open part of themselves -- and lay claim to the rich and rewarding inner lives that have historically been the exclusive province of women. A brave and astonishing work, *The Will to Change* is designed to help men reclaim the best part of themselves.

Everyone needs to love and be loved—even men. But to know love, men must be able to look at the ways that patriarchal culture keeps them from knowing themselves, from being in touch with their feelings, from loving. In *The Will to Change*, bell hooks gets to the heart of the matter and shows men how to express the emotions that are a fundamental part of who they are—whatever their age, marital status, ethnicity, or sexual orientation. But toxic masculinity punishes those fundamental emotions, and it's so deeply ingrained in our society that it's hard for men to not comply—but hooks wants to help change that. With trademark candor and fierce intelligence, hooks addresses the most common concerns of men, such as fear of intimacy and loss of their patriarchal place in society, in new and challenging ways. She believes men can find the way to spiritual unity by getting back in touch with the emotionally open part of themselves—and lay claim to the rich and rewarding inner lives that have historically been the exclusive province of women. A brave and astonishing work, *The Will to Change* is designed to help men reclaim the best part of themselves.

In a thought-provoking social and cultural analysis, the author of *All About Love* explores the world of masculinity and maleness to address some of men's most common concerns, including a fear of intimacy and the loss of their patriarchal place in society, arguing that an emotionally rewarding inner life holds the key to successful intimate relationships. Reprint. 15,000 first printing.

Discusses what black males fear most, their longing for intimacy, the pitfalls of patriarchy, and the destruction of oppression through redemption and love.

A nonfiction investigation into masculinity, *For The Love of Men* provides actionable steps for how to be a man in the modern world, while also exploring how being a man in the world has evolved. In 2019, traditional masculinity is both rewarded and sanctioned. Men grow up being told that boys don't cry and dolls are for girls (a newer phenomenon than you might realize—gendered toys came back in vogue as recently as the 80s). They learn they must hide their feelings and anxieties, that their masculinity must constantly be proven. They must be the breadwinners, they must be the romantic pursuers. This hasn't been good for the culture at large: 99% of school shooters are male; men in fraternities are 300% (!) more likely to commit rape; a woman serving in uniform has a higher likelihood of being assaulted by a fellow soldier than to be killed by enemy fire. In *For the Love of Men*, Liz offers a smart, insightful, and deeply-researched guide for what we're all going to do about toxic masculinity. For both women looking to guide the men in their lives and men who want to do better and just don't know how, *For the Love of Men* will lead the conversation on men's issues in a society where so much is changing, but gender roles have remained strangely stagnant. What are we going to do about men? Liz Plank has the answer. And it has the possibility to change the world for men and women alike.

A New York Times bestseller and enduring classic, *All About Love* is the acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation" trilogy. *All About Love* reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in *All About Love*. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The Utne Reader declared bell hooks

one of the "100 Visionaries Who Can Change Your Life." All About Love is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.

"What happened to the passion we started with? Why aren't we as close as we used to be?" PROBLEM: If you are a woman who is unfulfilled in your marriage...if you feel unheard or overburdened...if you quietly live in a state of slow-burn resentment... PROBLEM: If you are a man unhappy that your partner seems so unhappy with you...if you feel bewildered, unappreciated, or betrayed... This book offers a solution. Bestselling author and nationally renowned therapist Terrence Real unearths the causes of communication blocks between men and women in this groundbreaking work. Relationships are in trouble; the demand for intimacy today must be met with new skills, and Real -- drawing on his pioneering work on male depression -- gives both men and women those skills, empowering women and connecting men, radically reversing the attitudes and emotional stumbling blocks of the patriarchal culture in which we were raised. Filled with powerful stories of the couples Real treats, no other relationship book is as straight talking or compelling in its innovative approach to healing wounds and reconnecting partners with a new strength and understanding.

"Once again, Jack Myers has his fingers on the pulse of the very latest. Myers has clearly done his homework, and the result is this superb book." —Ken Burns, documentary filmmaker of *The Roosevelts* and *The Civil War* After being told all their lives to "be a man" and "man up," men are now rejecting the macho stereotype and instead developing empathy, getting in touch with their emotions, and becoming more sensitive in their relationships. Women are gaining ground in business, culture, education, relationships, and politics as traditional male and female roles disappear. *The Future of Men: Masculinity in the Twenty-First Century* prepares men and women for this shift in gender norms. As the definition of a "real man" evolves, understanding the future of men in business, politics, sports, education, relationships, and parenting will be essential for men to maintain psychological well-being, strengthen their self-esteem and sexual self-confidence, and rewire their emotional lives. *The Future of Men* provides tools to help men, and especially younger men, recognize and embrace new behaviors that are required for health and happiness at work, at home, and in their relationships.

Why are men afraid to commit? Dr Weinberg answers this question in *WHY MEN WON'T COMMIT* and shows women how to help their men change their minds. Dr Weinberg considers that men have four basic needs (the need to be special, to travel light, for loyalty and for emotional closeness) and if they feel that these aren't being met they will develop bad gut reactions against their girlfriends, which will most likely mystify these women. The problem for women and men is that men themselves couldn't tell you about these needs because they've grown up establishing a 'masculine pretence' that forbids them from showing emotion or discussing problems. Dr Weinberg's *WHY MEN WON'T COMMIT* provides a bridge between the two sexes that will lead to greater understanding, greater commitment and greater happiness. This is a unique approach to an age-old problem because it shows women why they needn't play games, or lose their own dignity, to help men commit. An informed, practical, straight-talking guide to men, or as Dr Weinberg calls them 'the fragile sex', *WHY MEN WON'T COMMIT* is invaluable to every woman who feels her single life must end - and soon!

From writer, critic, and popular cultural icon bell hooks comes a seductive portrait of passion in fifty soul-stirring poems. *When Angels Speak of Love* heralds the debut of a major new poet: bell hooks. World renowned for her courageous, provocative intellectual writing and her alluring charisma, hooks poetically engages the erotic imagination -- creating a tapestry of words that are sensual, lush, and profoundly inspiring. In this beautiful new collection, hooks illuminates our experiences with love -- tracing the link between seduction and surrender; the intensity of desire; and the anguish of death. hooks's previous four titles on the topic of love -- from *All About Love* to *The Will to Change* -- have made her the go-to source for readers longing to bring more love into every aspect of their lives. These words are meant to be read aloud and learned by heart. This ecstatic collection affirms hooks's position as the high priestess of love.

What is feminism? In this short, accessible primer, bell hooks explores the nature of feminism and its positive promise to eliminate sexism, sexist exploitation, and oppression. With her characteristic clarity and directness, hooks encourages readers to see how feminism can touch and change their lives—to see that feminism is for everybody.
