There's More to Life Than This lends insight on how Theresa's mediumship works, what happens to your soul when you die, what Spirit says Heaven is like, what the deceased want you to know, the importance of living a positive life, and the many roles that your family, friends, angels, guides, souls of faith, and God play here and in the afterlife. It also explores how to safely connect with Spirit, so that you can recognize when your loved ones are reaching out.

There is more to life than merely being, even in this very moment, even if it's all we are certain to have. There is more to life than this.

Blending together personal stories, anecdotes, and client readings, the star of TLC's "Long Island Medium" shares her world and her gift of communicating with those who have crossed over to the other side.

Blending together personal stories, compelling anecdotes, and client readings, the star of TLC's "Long Island Medium" shares her world and her gift of communicating with those who have crossed over to the other side.

The idea of There's More to Life than the Pursuit of Money came in 2010 from Glen Jr.'s decision to leave a promising, lucrative NFL career with the San Francisco 49er's due to a spiritual awakening. According to Glen, God spoke to him. "Glen, I want you to retire from the NFL and go out into the world and spread my word!" As God spoke to my son, He spoke to my heart as well. This life-changing experience with God has definitely put a spirit in our hearts that will not rest! Chapter 7 of our book is titled "Glen Finds Christ at Bama" and really reveals how the Holy Spirit started molding Glen for the path that God was preparing for him. When our adult children team up with Christ to combat sin, we as parents can then claim our victories. Our book covers Glen's relationship with God in Fort Walton Beach, Florida, at Bruner Middle School to Fort Walton High, and on to the University of Alabama under legendary coach Nick Saban. After that life-changing decision, Glen Jr. became an inspirational speaker and joined the Untied Stated Army and served four years as an Army Ranger. In this profound correspondence, we wanted to be transparent showing our audience that we're imperfect people living in an imperfect world. We also wanted to show our readers how we submitted our hearts to Jesus Christ! The world tends to worship money, the more we get the more we want. There's More to Life than the Pursuit of Money show's our readers how dangerous money is when used out of context and also shows how God created it for enjoyment. There's More to Life than the Pursuit of Money is unbiased and based on biblical truths that will challenge us humans to look in the mirror and lament for Christ! Glen and I are inviting you to take an honest look at your relationship with Christ and communicate with Him, just like He communicated with us and inspired us to write There's More to Life than the Pursuit of Money!

A significant life has positive meaning and value beyond individual success. It means contributing to the lives of others and showing compassion. In this book, Jack McDowell shares the six keys to a life of significance: Find your calling, learn from your experiences, acquire habits that build character, discover the joy of generosity, build relationships for life, and don't retire. Each chapter contains specific actions that will help readers master the six essentials. These steps are the harvest of Jack's own experiences and they are, he says, "the gifts of a providential God to this seeker after a life with deeper and more lasting meaning." Giving is man's God-ordained purpose. This book will provide encouragement and resources for the journey to a more significant life. It is a personal invitation to discover that there is far more to life than just making a living.

Have you ever asked yourself any of the following questions: Why are we here on earth? Is there really a Supreme Being who created the universe? When we die, do we rot in a grave or is there a heaven? If there is a heaven, how can we communicate with loved ones who've already crossed over? Are we the only life created by God or are there others like us? Have you ever wondered how the supernatural perceptions of psychics, mediums, and channels relate to God? Expect some surprises when reading Is There More To Life Than What We Know? Remember to keep an open mind - you might find yourself getting answers to some of those "what if" questions, although not necessarily the answers you were expecting. For all us who have ever looked into the night sky and wondered if there is more to life than what we know - this book is a must-read!

In a culture obsessed with happiness, this wise, stirring book points the way toward a richer, more satisfying life. Too many of us believe that the search for meaning is an esoteric pursuit—that you have to travel to a distant monastery or page through dusty volumes to discover life's secrets. The truth is, there are untapped sources of meaning all around us—right here, right now. To explore how we can craft lives of meaning, Emily Esfahani Smith synthesizes a kaleidoscopic array of sources—from psychologists, sociologists, philosophers, and neuroscientists to figures in literature and history such as George Eliot, Viktor Frankl, Aristotle, and the Buddha. Drawing on this research, Smith shows us how cultivating connections to others, identifying and working toward a purpose, telling stories about our place in the world, and seeking out mystery can immeasurably deepen our lives. To bring what she calls the four pillars of meaning to life, Smith visits a tight-knit fishing village in the Chesapeake Bay, stargazes in West Texas, attends a dinner where young people gather to share their experiences of profound loss, and more. She also introduces us to compelling seekers of meaning—from the drug kingpin who finds his purpose in helping people get fit to the artist who draws on her Hindu upbringing to create arresting photographs. And she explores how we might begin to build a culture that leaves space for introspection and awe, cultivates a sense of community, and imbues our lives with meaning. Inspiring and story-driven, *The Power of Meaning* will strike a profound chord in anyone seeking a life that matters.

When her mother passed away, author Heta Pandit found herself the owner of four historic houses. All of Pandits conversations revolve around her four houses: their upkeep, their leaking roofs, their Minton floors, their refurbishments, their stories, and the spirits that inhabit them. In *Theres more to Life than a House in Goa*, she offers a personal history of the houses she owns in Mumbai, Panchgani, and Goa in India. Interwoven with the stories of several generations, this memoir is not just about houses, but it also shares a capsule on social history at a micro level. It provides a reflection of the eccentricities and quirks of the extraordinary community of Parsis, immigrants from Iran, and their adaptation to the social and cultural customs in the land of their adoption. *Theres more to Life than a House in Goa* talks about personal history and recalls family values, remembering the way things were. After all, the stories of the houses are also the stories of the people who inhabit them.

Bjork is the most successful radical rock experimentalist of her generation. Contrary, inimitable, and gloriously her own, she has awed her famously dedicated fans for more than a decade with a swooping, querulous voice that has been likened to a glass not quite breaking. Bursting onto the Icelandic musical scene with a precocious album at the age of 11 and a series of releases in the 1980s that notably include her work with the Sugar Cubes, Bjork soon found herself gaining international renown as she released the jazzy *Gling-Glo* and her breakout solo album *Debut*. Since then the superstar wordsmith has continued to produce idiosyncratic, well-received works. In 1995 Bjork combined hit-making tunes with her maverick sounds to produce *Post*, and then after working with an army of collaborators, *Telegram*. Two years later, Homogenic took listeners on a compelling journey through the outer reaches of electronica. Again abruptly switching directions, Bjork starred as a blind mother in the critically acclaimed *Dancer in the Dark*, producing the renowned Selmasongs soundtrack. Returning to explorations of herself the next year, she produced *Vespertine*, an intimate and sensual fan favorite that continues to sell well. Drawing on years of experience covering Bjork and her industry, music journalist Ian Gittins explores and celebrates the creative processes and motivations behind her amazing career and musical history. With 70 color and black-and-white photographs, Bjork is a must-have for her legions of devoted fans.

AN INSTANT #1 NEW YORK TIMES BESTSELLER *Beautiful World, Where Are You* is a new novel by Sally Rooney, the bestselling author of *Normal People* and *Conversations with Friends*. Alice, a novelist, meets Felix, who works in a warehouse, and asks him if he'd like to travel to Rome with her. In Dublin, her best friend, Eileen, is getting over a break-up, and slips back into flirting with Simon, a man she has known since childhood. Alice, Felix, Eileen, and Simon are still young—but life is catching up with them. They desire each other, they delude each other, they get together, they break apart. They have sex, they worry about sex, they worry about their friendships and the world they live in. Are they standing in the last lighted room before the darkness, bearing witness to something? Will they find a way to believe in a beautiful world?

Bill Murchison -- a straight-talking Texan -- surveys the rich variety of ordinary life with the unpretentious wit that has made him one of America's favorite syndicated columnists.
