Typing Tips Copy Paste And
In the first article in this series, we looked at what copy-typing is, the formats it comes in and how to price a copy-typing job. In this article, I will share some of the things I've learned doing a couple of large copy-typing projects. I should say here that it's not very common for me to get copy-typing projects to do – but when I get them, although they're hard work, they are ...
