Estratto: Winx Club e una serie animata italiana realizzata dallo studio italiano Rainbow Spa, creata da Iginio Straffi e distribuita in ben 131 paesi. In Italia e trasmessa da Rai 2 e dal canale Rai satellitare per ragazzi. Il cartone animato ha ispirato anche un musical, un omonimo fumetto e una lunga serie di prodotti di merchandising (abbigliamento, accessori griffati, figurine) avente un target di mercato incentrato su bambine e bambini, preadolescenti e adolescenti con eta variabile fra 4 e 16 anni. Una normale ragazza del pianeta Terra, Bloom, vive la propria esistenza nella citta di Gardenia, fino al giorno in cui conosce la coetanea Stella, che diventera presto la sua migliore amica. Stella e la principessa del pianeta Solaria, che sta attraversando un periodo di grave crisi (i suoi genitori non vanno molto d'accordo), presto si separeranno. Una volta scoperto di avere poteri magici latenti, Bloom viene portata nella dimensione magica di Magix, dove conosce delle amiche che diventano fate come lei. Stella la mette a conoscenza dell'esistenza di Alfea, la migliore scuola di magia per fate di tutti i reami(solo femmine), dove Bloom decide di iscriversi e vivere. Ad Alfea, Bloom e Stella formano il Winx Club, insieme ad altre tre compagne: Flora', Tecna e Musa. Le cinque ragazze, a cui si unisce nel corso della seconda serie anche Aisha e nel corso della quarta serie Roxy, si metteranno in luce per via dei propri poteri, che le porteranno a imbarcarsi in numerose avventure. Nel corso degli episodi le sei ragazze conosceranno, e diverranno fidanzate degli Specialisti: lo scudiero Brandon, Riven, Timmy e il principe Sky..

Pop culture—and the advertising that surrounds it—teaches young girls and boys five myths about sex and sexuality: Girls don't choose boys, boys choose girls—but only sexy girls; there's only one kind of sexy—slender, curvy, white beauty; girls should work to be that type of sexy; the younger a girl is, the sexier she is; and sexual violence can be hot. Together, these five myths make up the Lolita Effect, the mass media trends that work to undermine girls' self-confidence, that condone female objectification, and that tacitly foster sex crimes. But identifying these myths and breaking them down can help girls learn to recognize progressive and healthy sexuality and protect themselves from degrading media ideas and sexual vulnerability.

Don't miss this bold new reinvention of the classic animated Winx Club series! This is the first YA novel based on the new NETFLIX series Fate: The Winx Saga. It is a retelling of the first season packed with bonus scenes and character backstory not seen on the show. At the Alfea International School, students come from all over the Otherworld to train. To learn magic. To discover how to control their powers. Inside the school's castle, five students-complete strangers-are assigned as roommates: Aisha is an athlete and a classic overachiever whose control over water is the envy of her fellow students. Terra is an awkward do-gooder whose power over the natural world can overwhelm rivals unexpectedly. Musa is an introvert who keeps to herself so her mind isn't overwhelmed by the emotions of those around her. Stella is a princess - yes, a real princess - whose command over light inspires but also intimidates. And then there's Bloom, the outsider, the girl from the human world whose power over fire almost destroyed her family. These five teenagers want what every teenager wants . . . to figure out who they are. To

make friends. To fit in at their new school. But when an ancient, long-vanquished evil suddenly resurfaces outside the castle walls, these five teenagers be forced to put their powers to the test. And they'll discover a secret so powerful, it will challenge everything they know about the Otherworld . . . and themselves.

The author of *Book of Shadows* digs deep into the practices and principles of Witchcraft to provide a comprehensive guidebook that anyone—novices and seasoned practitioners alike—can use to incorporate the beauty and power of Wicca into their own daily lives. Phyllis Curott's first book, *Book of Shadows*, was an inspirational, spiritual memoir that chronicled her journey from Ivy League-educated, New York City attorney to Wiccan High Priestess. By inviting readers of all faiths to share in her own personal transformation, Phyllis debunked many of the myths surrounding Wicca and revealed it for what it really is: a spiritual movement whose tenets of Goddess worship and reverence for Nature were a great deal more accessible and familiar than she'd ever expected. Far from being just another mechanical spell book, *Witch Crafting* is the first book to offer readers not only the how-to of Witchcraft, but also the why-to, explaining the profound spiritual tenets behind Wiccan techniques. Filled with both traditional and innovative shamanic practices, Phyllis also provides an empowering new definition of magic and reexamines the ethics under which Witchcraft is practiced, offering a groundbreaking alternative to the Threefold Law. With enchanting stories from Curott's own experiences, *Witch Crafting* will also teach you how to:

- Master the secret arts of effective spellcasting
- Create sacred space and personal rituals
- Perform divinations for spiritual insight and earthly success
- Tap into the power of altered states, such as dreaming, meditation, prayer, and trance
- Keep a magical journal and create your own *Book of Shadows*

Rich with detailed advice for making magic, working with Nature, and finding the Divine within, as well as thought-provoking evaluations of this remarkable spirituality, *Witch Crafting* is the special volume that you've been searching for. Whether you are a beginner or have been practicing Witchcraft for years, whether you worship in a coven or on your own, *Witch Crafting* is the ideal handbook for you, or anyone seeking to unlock the divine power that makes real magic happen and experience the ecstasy, energy, and gifts of the Universe more fully.

!--StartFragment-- Read the book that inspired the Nickelodeon TV show! Perfect for fans of *Middle School* and *Awkward*. Super-stylish and uber-harsh, Kacey Simon is the social dictator of Marquette Middle School. But when an eye infection and a visit to the dentist leave her with giant glasses, a mouth full of metal, and...a littthp, Kacey is dismissed by her popular friends, falling so far down the social ladder she can barely see the top, even with her magnifying specs. With nowhere else to turn, Kacey has to hang with her nerdy neighbor and a boy who walks to beat of his own drum, but she's determined to reclaim her throne. Will she climb back to the top? Or will she discover that hitting rock bottom kind of...rocks?
