Download Free Unit 1 1 Business Activity Sample Assessment

PRINCIPLES OF BUSINESS, Eighth Edition, provides complete instruction in business concepts and skills students need in today's competitive environment. This market-leading introductory business text offers extensive coverage in major business concepts, such as finance, marketing, operations, and management. Students gain valuable information and skills for the workplace, as well as preparation for success in competitive events, such as DECA, FBLA, and BPA. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Two student books cover 18 units from the BTEC National course, and an accompanying Tutor's Resource File with CD-ROM provides essential support for tutors with the preparation and delivery of lessons. Activities clearly match the assessment requirements of the course, so your students build up plenty of confidence as they go along. Your students need a good depth of theory at this level, but we've related it clearly to actual business practice. They'll be motivated by seeing how they could apply the theories they are learning to real business. Motivating case studies and examples are taken from a wide range of large and small organisations, to give students plenty of exposure to the types of businesses they might end up working in. The supporting Tutor Resource File gives you plenty of extra help in running the course.
