Viking Grave Found Under the Floorboards of a Home in ...

Vikings were buried with everything they might need in the next world. The items (or grave goods) would vary according to the status and profession of the deceased individual. A warrior, for example, would be buried with his best weapons and armour, whereas a farmer ' s wife might be buried with her wool spinning tools.

Viking Burials: Facts and Information - Primary Facts

The contemporary archaeological record of the find is not as good but the grave goods would tend to indicate a pagan grave. The grave may be located in a mound or Church yard. Discredited (D) The argument in favour of this being a Viking grave has now been discredited although it has previously been published as such in the past.

Tributes and gifts, known as “ grave goods ” and usually of equal value to the deceased ’ s status, were buried or burned along with the recipient. These goods ran the gamut, from weapons to jewelry to...

How Did The Vikings Honor Their Dead? - HISTORY

Vikings were buried with graves goods and great care was taken in displaying the individual and representing both the individual and their family ’ s status and belief systems. Each grave was carefully crafted and orchestrated for the dead and the living. As Neil Price in “ Dying and the Dead: Viking Age Mortuary Behavior ” explains,
