Visual culture is the aspect of culture expressed in visual images. Many academic fields study this subject, including cultural studies, art history, critical theory, philosophy, media studies, Deaf Studies and anthropology. The field of visual culture studies in the United States corresponds or parallels the Bildwissenschaft in Germany. Both fields are not entirely new, as they can be considered reformulations of issues of photography and film theory that had been raised from the 1920s and 1930

Visual culture - Wikipedia

Visual Culture is human culture based on visual media — pictures, sculpture, and (sometimes) dance— as opposed to oral culture and print culture, based on language, words, and writing. The oldest evidences of human intellectual and cultural activity, dating back some 25,000 years B.C.E., are cave paintings of objects, human figures, animals and symbols.
