The CDC has issued guidance on how to celebrate the holidays, breaking down recommendations based on the safest way to partake — based on low-risk, moderate-risk and high-risk activities.

Introduces the history of agriculture and the festivals that arose around the harvest, including information on the seasons and activities that celebrate autumn.

The fall equinox signals the time of year when we gather our harvests and give thanks for their bounty. With accessible, lyrical prose and vibrant illustrations, this nonfiction picture book explains the science behind autumn and the social history of harvest-time celebrations. We Gather Together presents a remarkable range of cultural traditions throughout the ages and the world, many of which have influenced our contemporary Thanksgiving holiday. Simple science activities, ideas for celebrating in school and at home, and a further reading list are included in the back of the book.

From the New York Times bestselling author of *The Last Castle* and *The Girls of Atomic City* comes a new way to look at American history through the story of giving thanks. From Ancient Rome through 21st-century America, bestselling author Denise Kiernan brings us a biography of an idea: gratitude, as a compelling human instinct and a global concept, more than just a mere holiday. Spanning centuries, *We Gather Together* is anchored amid the strife of the Civil War, and driven by the fascinating story of Sarah Josepha Hale, a widowed mother

with no formal schooling who became one of the 19th century 's most influential tastemakers and who campaigned for decades to make real an annual day of thanks. Populated by an enthralling supporting cast of characters including Frederick Douglass, Abraham Lincoln, Sojourner Truth, Walt Whitman, Norman Rockwell, and others, *We Gather Together* is ultimately a story of tenacity and dedication, an inspiring tale of how imperfect people in challenging times can create powerful legacies. Working at the helm of one of the most widely read magazines in the nation, Hale published Edgar Allan Poe, Nathaniel Hawthorne, Harriet Beecher Stowe, and others, while introducing American readers to such newfangled concepts as "domestic science," white wedding gowns, and the Christmas tree. A prolific writer, Hale penned novels, recipe books, essays and more, including the ubiquitous children 's poem, "Mary Had a Little Lamb." And Hale herself never stopped pushing the leaders of her time, in pursuit of her goal. The man who finally granted her wish about a national "thanksgiving" was Lincoln, the president of the war-torn nation in which Hale would never have the right to vote. Illuminating, wildly discussable, part myth-busting, part call to action, *We Gather Together* is full of unexpected delights and uneasy truths. The stories of indigenous peoples, immigrant communities, women 's rights activists, abolitionists, and more, will inspire readers to rethink and reclaim what it means to give thanks in this day and age. The book 's message of gratitude—especially when embraced during the hardest of times—makes it one to read and share, over and over, at any time of year.

Explore with children and for yourself why we celebrate the Eucharist Breaking bread with others is central to our faith. This book is an invitation to learn and wonder about why we worship and celebrate the Holy Eucharist. Although grounded in the Episcopal liturgical tradition, it is an accessible and inviting introduction to worship for children and families of many Christian traditions. While learning what occurs during worship and the Holy Eucharist, readers of all ages will be guided through the sacramental and communal aspects of the celebration and how in the breaking of bread we are called into the world. The beautiful full-color illustrations reflect the diversity of God 's people, and a dedication page encourages personalization. A family section offers questions and suggests ways for all ages to engage in worship and family rituals. Reflecting some of the spirit, beauty, and vocabulary of the Episcopal liturgy, this will be a treasured volume for parents, godparents, grandparents, and other important adults in the life of a child who is wondering about worship.

With a lift of each foldout flap, kids can watch the seeds take root in the soil, sprout from the ground, and finally, make the fruits and veggies we love to eat! A tiny kernel grows a bright yellow ear of corn, a pumpkin seed grows a big orange pumpkin, an apple seed grows juicy red apples, a carrot seed grows a smooth orange carrot, and a bean seed grows crunchy green string beans. Each cardstock page of this book folds out into a large 14" x 14" inch page that reveals a child enjoying the healthy and delicious fruits and veggies that the seeds have become!

Okonkwo is the greatest warrior alive, famous throughout West Africa. But when he accidentally kills a clansman, things begin to fall apart. Then Okonkwo returns from exile to find missionaries and colonial governors have arrived in the village. With his world thrown radically off-balance he can only hurtle towards tragedy. Chinua Achebe's stark novel reshaped both African and world literature. This arresting parable of a proud but powerless man witnessing the ruin of his people begins Achebe's landmark trilogy of works chronicling the fate of one African community, continued in Arrow of God and No Longer at Ease.
