As a nursing student, you should not be rostered to work on the ward or within the sphere of nursing as a nurse. Students are placed on the ward or within a sphere of nursing to undertake a clinical placement and meet certain learning needs. You should not be placed in a situation where adequate levels of support cannot be guaranteed.

Student nurses | Advice guides | Royal College of Nursing  
A nursing student's placement is a vital part of their learning experience and getting it right can contribute greatly to their development as well as the team they are working in. Providing high quality placements that enrich the experience of student nurses, while promoting excellent nursing practice and a positive working culture, can help to attract and retain staff with the right values for your organisation.

Excellence in student nursing placements - NHS Employers  
Obviously, as a student nurse as well, you want to help out with this paperwork. I'd recommend getting used to that and that will make you a lot more confident and also make the nurse that you're getting assessed by really ready like you. 2.03 Tip 2 - know the routine on your ward.

The top 3 things student nurses need to know on placement  
I've sat in on an autopsy as the mysteries of death are explained. I've celebrated with patients as they receive good news and cried with their families as they struggle to come to terms with bad news. Being a student nurse is a badge of honour. People look to you for hope and they admire and respect your skills.

Nine truths about student nursing | Times Higher Education ...  
Student nurses spend half of their degree programmes on clinical placement in order to prepare to become "knowledgeable doers" (Ousey, 2011). It is vital to get the most out of these placements, during which you will be supported and assessed by a registered nurse mentor.

Getting the most out of your clinical placement | Nursing ...  
Why It Works: This is a good answer because it shows the candidate's passion for the nursing profession along with a family history of working in the nursing field. Throughout college and nursing school, my interest in nursing and my commitment to the field became even stronger as I found that I also had an aptitude for the work.

How to Answer "Why Did You Choose Nursing as a Career?"  
Student Nursing: Your Placements. When you start your nursing degree you'll choose a specialisation, such as adult nursing, child nursing, mental health nursing, dual field (a mixture of different specialisations) and so on. Whatever you choose to specialise in, you'll be going on placement.
