Read Book Wiersze Zebrane

Zbigniew Herbert was a poet, playwright, and essayist. He was born in Lwów, a city then in Poland. After World War II, the city became part of Soviet Ukraine and is now called Lviv. During the war, Herbert joined the resistance movement against the Nazi occupation. His poetry, marked by a direct language and a strong moral concern, was shaped by his experiences under both the Nazi and Soviet ...

Reflexionen über die komplexe Frage, wie sich Gesellschaften nach der Erfahrung von Krieg und Gewalt konsolidieren oder gar neu erfinden. Der Zweite Weltkrieg wirkte in Polen wie in anderen europäischen Staaten weit über die unmittelbaren Kampfhandlungen hinaus. Okkupation, Zwangsarbeit, politische und rassistische Verfolgung sowie Grenzverschiebung prägten das Leben der Zivilbevölkerung. Viele der überlebenden Einwohnerinnen

und Einwohner der Republik Polen fanden sich nach dem Ende der militärischen Auseinandersetzungen und dem Ende der Shoah unfreiwillig in anderen Regionen, auf dem Gebiet anderer neugebildeter Staaten oder im Exil wieder. Die Beiträge dieses Bandes gehen davon aus, dass es ein Kriegsende weder in Polen noch in seinen Nachbarstaaten gab. In Lublin wurde nach der Befreiung durch die Rote Armee schon 1944 eine sowjetisch gelenkte Übergangsregierung eingesetzt, indessen dauerten Zwangsmigrationen und die Rückkehr von Displaced Persons bis in die frühen 1950er Jahre an. Auf mentaler Ebene prägten die unterschiedlichen Kriegserfahrungen Menschen und ihr Verhalten über Jahre oder gar Jahrzehnte. Die Autorinnen und Autoren dieses Bandes begreifen die

unterschiedlichen Kriegsenden als Phasen der Transition und der Neuorientierung. Analytisch kommen historische, museologische, soziologische, rechtswissenschaftliche, linguistische und psychologische Perspektiven zum Tragen.

Reporting from such varied locations as postcolonial Africa, revolutionary Iran, the military dictatorships of Latin America and Soviet Russia, the Polish journalist and writer Ryszard Kapuściński was one of the most influential eyewitness journalists of the twentieth century. During the Cold War, he was a dauntless investigator as well as a towering literary talent, and books such as *The Emperor* and *Travels with Herodotus* founded the new genre of "literary reportage". It was an achievement that brought him global renown, not to

mention the uninvited attentions of the CIA. In this definitive biography, Artur Domoŝawski shines a new light on the personal relationships of this intensely charismatic, deeply private man, examining the intractable issue at the heart of Kapuŝciŝki's life and work: the relationship and tension between journalism and literature. In researching this book, Domoŝawski, himself an award-winning foreign correspondent, enjoyed unprecedented access to Kapuŝciŝki's private papers. The result traces his mentor's footsteps through Africa and Latin America, delves into files and archives that Kapuŝciŝki himself examined, and records conversations with the people that he talked to in the course of his own investigations. Ryszard Kapuŝciŝki is a meticulous, riveting portrait of a complex man of intense

curiosity living at the heart of dangerous times.

The Iron Curtain concealed from western eyes a vital group of national and regional writers. Marked by not only geographical proximity but also by the shared experience of communism and its collapse, the countries of Eastern Europe -- Poland, Hungary, Albania, Romania, Bulgaria, and the former states of Yugoslavia, Czechoslovakia, and East Germany -- share literatures that reveal many common themes when examined together. Compiled by a leading scholar, the guide includes an overview of literary trends in historical context; a listing of some 700 authors by country; and an A-to-Z section of articles on the most influential writers.

The issues discussed in the essays pertain to various aspects of Indian culture. Analysis of the Vedic pantheon is juxtaposed with comparative approach to Indian mythology Examination of different historical and textual layers of vedic exegesis is enriched by reflection on sanskrit epics and Puranas. Insightful pursuance of various semantic development combined with Bhartrhari`s philosophy of language and complexities and are interwoven with on the one hand the question of reationality and philosophic discourse as reflected on Indian dialectical traditiona Ganeri, Shoryu katsura, Ernst Prets and the vedantic hermeneutics and with on the other the issue of individual freedom against the soteriological background.

Read Book Wiersze Zebrane

A hermeneutics of education pays special attention not to educational structures, but the central role of conversation in the educational process. The key issue is the formation of the person as a unique reality of being and acting while supporting intersubjective understanding. The polyphony of understanding places the human search for meaning within the horizon of incompleteness and allows for both, spontaneity and rigor, in order to reach an understanding of what is happening to us and in us when we understand. Reflection on education is always inseparable from educational practice.

Read Book Wiersze Zebrane

Warsaw- and London-based filmmakers Franciszka and Stefan Themerson are often recognized internationally as pioneers of the 1930s Polish avant-garde. Yet, from the turn of the century to the end of the 1920s, Poland's literary and art scenes were also producing a rich array of criticism and early experiments with the moving image that set the stage for later developments in the avant-garde. In this comprehensive and accessible study, Kamila Kuc draws on myriad undiscovered archival sources to tell the history of early Polish avant-garde movements—Symbolism, Expressionism, Futurism, and Constructivism—and to reveal their impact on later practices in art cinema.
