Other writers will openly declare that feedback is always welcome. It is here that you should focus your efforts, assuming your goal as a critic is to help people, and not make them feel inferior or feeble. However, your best bet is to simply limit your critiques to those writers who personally ask you for feedback.

A writer is a person who uses written words in different styles and techniques to communicate ideas. Writers produce different forms of literary art and creative writing such as novels, short stories, books, poetry, plays, screenplays, teleplays, songs, and essays as well as other reports and news articles that may be of interest to the public. Writers' texts are published across a range of media.
